FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2002 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the 2002 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

(1) Beginning July 15, 1998, an eligible local unit of government***, and beginning July 15, 2002, the Department of State Police if eligible,*** shall be entitled to receive annually a supplement of two thousand seven hundred fifty dollars ($2,750) for each qualified police officer it employs, and beginning on July 1, 1999, ***an eligible local unit of government and beginning July 15, 2002, the Department of State Police if eligible, shall be entitled to receive*** an annual supplement of three thousand dollars ($3,000) for each qualified police officer it employs, plus an amount equal to the required employer's contribution on the supplement to the defined benefit pension plan to which the officer belongs, but no more than the required employer's contribution to the County Employees Retirement System hazardous duty category***, except that qualified Kentucky State Police officers shall receive an annual supplement not to exceed the amount specified in this subsection for other police officers, plus an amount equal to the required employer's contribution to the State***

Police Retirement System under KRS 16.510 to 16.652 in the manner specified in Section 3 of this Act. In the case of County Employees Retirement System membership, the pension contribution on the supplement shall be paid whether the officer enters the system under hazardous duty coverage or nonhazardous coverage. (c) Each qualified sheriff who seeks to participate in the fund shall forward a copy of the final settlement prepared under KRS 134.310 to the fund. The sheriff shall reimburse the fund if an audit of the final settlement conducted pursuant to KRS 134.310 reflects that the sheriff received all or a portion of the supplement in violation of this section. A sheriff who fails to provide a copy of the final settlement to the fund or to reimburse the fund after correction by audit, if required, shall not be qualified to participate in the fund for a period of two (2) years.

(d) Each qualified deputy sheriff shall receive the supplement from the sheriff if the sheriff administers his own budget or from the county treasurer if the sheriff pools his fees. Section 7. KRS 15.470 is amended to read as follows:

Law Enforcement Foundation Program funds made available to ***the Department of State Police or*** local units shall be received, held and expended in accordance with the provisions of KRS 15.410 to 15.510, including the rules and regulations issued by the Justice Cabinet, and the following specific restrictions:

(2) Funds provided shall be used only to compensate police officers who have complied with KRS 15.440(3), (4), and (5).

(3) Each police officer shall be entitled to receive the state supplement which his qualifications brought to the ***Department of State Police or*** local unit;

(4) Funds provided shall not be used to supplant existing salaries or as a substitute for normal salary increases periodically due to police officers.

Section 8. KRS 15.480 is amended to read as follows:

Beginning July 1, 1972, and on the first day of each month thereafter, the share of each eligible and participating local unit of government shall be distributed from the Law Enforcement Foundation Program fund.

Section 9. KRS 15.490 is amended to read as follows:

(1) ***The Department of State Police, if participating, and*** each participating local unit of government shall submit reports to the Justice Cabinet on March 31, June 30, September 30 and December 31 of each year containing information relative to number, rank, education, training, and compensation of police officers employed by it and the disposition made of any state or other funds received pursuant to KRS 15.410 to 15.510. Nothing in this section shall prohibit the Justice Cabinet from requiring additional information or reports from participating local units of government;

(2) ***The Department of State Police and*** local units of government shall include the additional compensation paid to each police officer from the Law Enforcement Foundation Program fund as a part of the officer's salary in determining all payroll deductions.

(2) Funds unexpended by the Justice Cabinet at the close of the fiscal year for which the funds were appropriated and otherwise made available to this fund pursuant to KRS 15.430, 42.190 and 136.392, shall not lapse as provided by KRS 45.229, but shall be carried forward into the following fiscal year, and shall be used solely for the purposes specified in KRS 15.410 to 15.500.

Section 11. KRS 15.510 is amended to read as follows:

(1) An appeal may be taken from any decision of the Justice Cabinet to withhold or terminate payment from the Law Enforcement Foundation Program fund to the Department of State Police. Appeals shall be taken to the Franklin Circuit Court.

(2) An appeal may be taken from any decision of the Justice Cabinet to withhold or terminate payment from the Law Enforcement Foundation Program fund to any local unit of government. Appeals shall be taken to the Circuit Court of the county where the controversy originates.

Section 12. KRS 42.190 is amended to read as follows:

(1) On June 1, 1982, and then on or before the first day of each December, March, June, and September thereafter, the cabinet shall request in writing of the administrator of the Firefighters Foundation Program fund, which is established by KRS 95A.220, and of the administrator of the Law Enforcement Foundation Program fund, which is established by KRS 15.430, cost projections of their respective funds for the next quarter. Based on these projections, the cabinet shall determine the proportionate share of total insurance premium surcharge proceeds, prescribed in KRS 136.392, to accrue to each fund. ***The cabinet shall not consider the Kentucky State Police participation as a factor in determining the proportionate share of total insurance premium surcharge proceeds for each fund.***

(3) Moneys deposited in the Firefighters Foundation Program fund's trust and agency account, and in the Law Enforcement Foundation Program fund's trust and agency account, shall be invested by the state in accordance with state investment practices, and all earnings from such investments shall accrue to, and be paid into the respective account from which such investments are made. All moneys remaining on deposit at the close of the state's fiscal year in the Firefighters Foundation Program fund's trust and agency account and all earnings from investments made from moneys in this account in excess of three million dollars ($3,000,000), beginning with fiscal year 1994-95, through June 30, 1999, shall lapse, except that moneys in the revolving loan fund established in KRS 95A.262 shall not lapse. All moneys remaining on deposit at the close of the state's fiscal year in the Law Enforcement Foundation Program fund's trust and agency account, and all earnings from investments made from moneys in this account, in excess of three million dollars ($3,000,000), beginning with fiscal year 1994-95, through June 30, 1999, shall lapse. On and after July 1, 1999, moneys in these accounts shall not lapse. ***Beginning with fiscal year 2003, moneys in excess of three million dollars ($3,000,000) shall be distributed to the Kentucky State Police officers under the provisions of Section 3 of this Act.***

(4) The cabinet shall provide monthly financial reports to the administrator of the Firefighters Foundation Program fund and the administrator of the Law Enforcement Foundation Program fund respecting the amount of funds received and on deposit in each fund and the amount of earnings accruing to each fund from their investment.

(5) The administrator of the Kentucky Law Enforcement Foundation Program fund in its calculation of its cost projections under KRS 15.455 shall not consider the participation of eligible Kentucky State Police officers in that calculation. (b) "Unconscionable" means an act or conduct which is willful and is so harsh and unjust as would be condemned or considered to be wrongful and would be shocking to the conscience of honest and fair-minded persons.

(c) It is prima facie evidence that a price is unconscionable if:

1. The amount charged represents a gross disparity between the price of the commodity or rental or lease of any dwelling unit or self-storage facility that is the subject of the offer or transaction and the average price at which that commodity or dwelling unit or self-storage facility was rented, leased, sold, or offered for rent or sale in the usual course of business during the thirty (30) days immediately prior to a declaration of a state of disaster or emergency, and the increase in the amount charged is not attributable to additional costs incurred in connection with the rental or sale of the commodity or rental or lease of any dwelling unit or self-storage facility, or national or international market trends; or

2. The amount charged grossly exceeds the average price at which the same or similar commodity was readily obtainable in the trade area during the thirty (30) days immediately prior to a declaration of a state of disaster or emergency, and the increase in the amount charged is not attributable to additional costs incurred in connection with the rental or sale of the commodity or rental or lease of any dwelling unit or self-storage facility, or national or international market trends.

(2) The Governor may, in writing, confirm that an act or event which occurs within or without the boundaries of the Commonwealth but which occurs within the boundaries of the United States or its possessions or territories is an act of terrorism, an event affecting the national security of the United States, and thereby the security of the Commonwealth and that it is in the interest of public health and safety to protect the public against unconscionable price increases as a result of the named act or event.

(3) In the event that the Governor confirms that an act or event is within the purview of subsection (2) of this section the Governor may issue a written executive order declaring an emergency, making it unlawful and a violation of KRS 367.170 for a person or his or her agent or employer to rent or sell at an unconscionable price any commodity defined in subsection (1)(a) or the rental or lease of any dwelling unit or self-storage facility.

(4) This section shall not apply to sales by growers, producers, or processors of raw or processed food products, except for retail sales of such products to the ultimate consumer within the area of the declared state of disaster or emergency.

(5) Except as provided in this subsection, the Governor's executive order shall remain in effect for a period not to exceed seven (7) days.

(a) The Governor may, in writing, rescind an order issued under this section, in whole or in part, prior to the expiration of the seven (7) day period.

(b) The Governor may upon the expiration of a previous order issued pursuant to this section extend, in writing, an order issued under this section for an additional period of seven (7) days. The prior order may be extended in whole or in part.

(c) The Governor may keep such orders in effect for a period not to exceed twenty-one (21) days total and after that time no new order or extension shall be made or shall be valid with regard to the same act or event specified in the initial order.

HB 444, AN ACT relating to capital projects.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 45 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds and determines that protecting prior and future investments of public funds in state-owned facilities through planned major maintenance and capital repair of these facilities is of critical importance to the Commonwealth of Kentucky. The General Assembly further recognizes that arresting deterioration of existing state-owned facilities, limiting the effects of cost inflation associated with the deferral of necessary major maintenance and repair, and assuring that facilities comply with necessary health and safety requirements requires a proactive policy to protect the public

investment. It is the intent of the General Assembly to create and fund a capital renewal account for new facilities and a capital renewal account for existing facilities to finance major maintenance and capital repair of state-owned facilities.

SECTION 2. A NEW SECTION OF KRS CHAPTER 45 IS CREATED TO READ AS FOLLOWS:

(1) There is created within the capital construction fund the capital renewal account for new facilities. Moneys in the capital renewal account for new facilities shall only be expended for purposes of the major maintenance and capital repair of new facilities as defined in subsection (2) of this section. The capital renewal account for new facilities shall consist of moneys appropriated to the account by the General Assembly. Moneys in the account shall be invested in accordance with KRS 42.500. Separate allotments or project accounts shall be established to account for each facility.

(2) The capital renewal account for new facilities shall be used to fund the major maintenance and capital repair of any state-owned facility for which project authorization is recommended by a branch head beginning with the 2004-06 budget preparation cycle and as provided by the 2004 General Assembly or by a subsequent General Assembly that is:

(a) Acquired by a state agency or postsecondary institution by any means including construction, purchase, gift, or bequest, that has a value of four hundred thousand dollars ($400,000) or more; or

(b) An existing state-owned facility that has a value of four hundred thousand dollars ($400,000) or more for which the renovation cost is greater than fifty percent (50%) of the value of the facility as reflected in the Department for Facilities Management database.

(3) Beginning with the 2004-06 budget preparation cycle and continuing for each budget thereafter, the branch budget recommendation submitted to the General Assembly under KRS Chapter 48 shall include the following:

(a) For every facility as defined in subsection (2) of this section that is initially recommended for a budget unit, an amount equal to an annualized increment of two percent (2%) of the project scope shall be recommended for that budget unit for purposes of funding the capital renewal account for new facilities for that project; and

(b) After initial authorization and funding for each facility pursuant to paragraph (a) of this subsection, the branch budget recommendation submitted to the General Assembly under KRS Chapter 48 shall include a recommendation in subsequent bienniums to fund the capital renewal account for that facility at a level equal to an annualized increment of two percent (2%) of the project scope.

To the extent possible, the recommended source of funds for recommendations made under this section shall be from the same fund source, or represent the same proportion of fund sources, as the fund source for the recommended project authorization. Moneys from the general fund shall be used for projects authorized from general fund-supported debt. Restricted funds may be used for projects authorized from any other fund source. If funds are provided other than from the general fund to the capital renewal account for new facilities, such funds shall be transferred from the originating budget unit and credited to the discrete account established for the individual facility.

(4) No facility as defined in subsection (2) of this section shall be authorized for construction absent an appropriation to the capital renewal account for new facilities of an amount equal to the annualized increment of two percent (2%) of the project scope.

(5) Projects that are not authorized during a Regular or Extraordinary Session of the General Assembly and that are established pursuant to KRS 45.760(14) shall be subject to the provisions of Sections 1 to 3 of this Act for purposes of establishing and funding that project in the capital renewal account for new facilities.

(6) If an authorized project is not constructed or is canceled, any amount from the general fund appropriated for the purpose of the capital renewal account for new facilities shall lapse. Any other funds appropriated for this purpose shall revert to their respective originating budget unit and fund source.

(7) Expenditures from a facility's project account shall be used solely for the purpose of major maintenance and repair projects costing four hundred thousand dollars ($400,0000) or more. Amounts in each facility's project account shall not be expended for a minimum of ten (10) years after initial project authorization.

(8) No expenditures shall be made from the capital renewal for new facilities account unless appropriated by the General Assembly.

(9) All sums appropriated or deposited to the capital renewal account for new facilities shall not lapse at the close of the fiscal year but shall carry forward into the next fiscal year and shall remain available solely for the purposes of this section.

(10) Notwithstanding the provisions of KRS 48.600, the capital renewal account for new facilities shall be exempt from any state budget reduction acts.

SECTION 3. A NEW SECTION OF KRS CHAPTER 45 IS CREATED TO READ AS FOLLOWS:

(1) There is created within the capital construction fund the capital renewal account for existing facilities. Moneys in the capital renewal account for existing facilities shall only be expended for major maintenance and capital repair of existing facilities owned by the Commonwealth of Kentucky. The capital renewal account for existing facilities shall consist of moneys appropriated to the account by the General Assembly. Moneys in the account shall be invested in accordance with KRS 42.500.

(2) The capital renewal account for existing facilities shall be used to fund the major maintenance and capital repair of

(3) The branch budget recommendation submitted to the General Assembly under KRS Chapter 48 shall include a recommendation to fund the capital renewal account for existing facilities from the general fund at an amount equal to a percentage of the total value of all facilities defined in subsection (2) of this section in each fiscal year, as follows: one-half of one percent (0.5%) in fiscal year 2004-05; one percent (1.0%) in fiscal year 2005-06; one and one-half percent (1.5%) in fiscal year 2006-07; and two percent (2.0%) in fiscal year 2007-08 and every subsequent fiscal year.

(4) Expenditures from the capital renewal account for existing facilities shall be used solely for the purpose of major maintenance and repair projects costing four hundred thousand dollars ($400,0000) or more. There shall be a minimum balance of no less than five million dollars ($5,000,000) in the account at the end of each fiscal biennium.

(5) No expenditures shall be made from the capital renewal account for existing facilities unless appropriated by the General Assembly.

(6) A five (5) member Capital Renewal Review Panel is established for the purpose of reviewing and making recommendations on projects proposed to be financed from the capital renewal account for existing facilities as documented in the six (6) year capital plans submitted under KRS Chapter 7A. The panel's review of projects in the six (6) year capital plans shall include a prioritized listing of projects that are recommended to be financed from the capital renewal account for existing facilities and an explanation of the criteria upon which the recommendations are based. (7) All sums appropriated or deposited to the capital renewal account for existing facilities shall not lapse at the close of the fiscal year but shall carry forward into the next fiscal year and shall remain available solely for the purposes of this section.

(8) Notwithstanding the provisions of KRS 48.600, the capital renewal account for existing facilities shall be exempt from any state budget reduction acts.

HB 624, AN ACT relating to reorganization.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 48.005 is amended to read as follows:

(1) The General Assembly hereby finds and declares that:

(a) Public accountability for funds or other assets recovered in a legal action by or on behalf of the general public, the Commonwealth, or its duly elected statewide constitutional officers is appropriate and required, whether the character of the assets or funds recovered is public or private;

(b) Accountability for assets or funds recovered by duly elected statewide constitutional officers is essential to the public trust, and is even more critical when that officer was a party to the action that resulted in the recovery by virtue of the public office he or she holds;

(c) Public accountability demands the applicability of the Kentucky Open Records Law, KRS 61.870 to 61.884, and the Kentucky Open Meetings Law, KRS 61.805 to 61.850, so that the actions of individuals or agencies who are charged with the administration of funds or other assets are conducted in full view, and are open to public scrutiny;

(d) The General Assembly recognizes that the Attorney General of the Commonwealth of Kentucky has filed or been a party to actions by virtue of the public office he holds, and has recovered certain assets or funds of approximately forty-five million dollars ($45,000,000), plus interest, for or on behalf of the citizens of the Commonwealth in the cases of Commonwealth of Kentucky, ex rel., Attorney General, Albert B. Chandler, III v. Anthem Insurance Companies, Inc., Southeastern Group, Inc., Southeastern United Medigroup, Inc., Franklin Circuit Court, Division I, Civil Action No. 97-CI-01566, and Southeastern United Medigroup, Inc., Southeastern Group, Inc., and Anthem Insurance Companies, Inc., v. Commonwealth of Kentucky, Department of Insurance, Franklin Circuit Court, Division II, Civil Action No. 97-CI-00405;

(e) The terms of the settlement of those actions referenced in subsection (1)(d) of this section serve a public purpose and require that the proceeds of settlement be used "to address the unmet health care needs of Kentucky citizens";

(f) In accordance with the terms of the settlement referenced in subsection (1)(d) of this section, a foundation has been or is to be formed and appointments to that foundation made after receiving recommendations from an advisory board whose appointments will be made from nominees of the Attorney General;

(g) While it may be important that, in certain circumstances, funds or assets received retain their character, identity, and purpose, it is also important that the process by which funds are administered and the individuals named to serve on the advisory board and the foundation in the settlement referenced in subsection (1)(d) of this section be open to public scrutiny and be required to make reports and be accountable to the public; and

(h) The power to appropriate funds for public purposes is solely within the purview of the legislative branch of government, and the General Assembly, as a steward of the budgetary process, shall take steps to assure that future settlements are handled in a manner that assures maximum accountability to the citizens of the Commonwealth and their duly elected legislative representatives.

(2) Therefore, any other provision of the common law or statutory law to the contrary notwithstanding:

(a) The provisions of subsection (3) of this section shall apply to the settlement referenced in subsection (1)(d) of this section, and to the advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity, created by court order or otherwise, to administer the settlement proceeds to provide for the "unmet health care needs of Kentucky citizens"; and

(b) Except for the settlement referenced in subsection (1)(d) of this section, the provisions of subsection (4) of this section shall apply whenever the Attorney General or other duly elected statewide constitutional officer is a party or has entered his appearance in a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or a person, organization, or entity created by the Attorney General or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes;

(c) Except as otherwise provided in paragraphs (a) and (b) of this subsection, the provisions of subsection (5) of this section shall apply when any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets are recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority.

(3) The advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity, created by court order or otherwise, in accordance with the settlement outlined in subsection (1)(d) of this section, shall be deemed a public trust, and shall:

(a) Be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884, and the Kentucky Open Meetings Act, KRS 61.805 to 61.850;

(b) Be audited on an annual basis by the Auditor of Public Accounts;

(c) Provide any records, documents, written reports, and audits to the Governor, Auditor of Public Accounts, and the Legislative Research Commission, as may be requested;

(d) Provide representatives of the organization or entity to testify before any committee of the General Assembly, when requested, concerning the work and financial condition of the organization or entity;

(e) Encourage the Franklin Circuit Court to authorize the Governor to appoint two (2) at-large members to the board of directors of the foundation created by the settlement agreement; and

(f) Provide written notice of any disbursement of funds or assets to the co-chairs of the Interim Joint Committee on Appropriations and Revenue, the secretary of the Finance and Administration Cabinet, and the state controller at least fourteen (14) days prior to making disbursement. Within forty-five (45) days after receipt of the notice of disbursement of funds or assets in accordance with this subsection, the Interim Joint Committee on Appropriations and Revenue may hold a hearing on the disbursement. If requested by the Interim Joint Committee on Appropriations and Revenue, members of the advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity making disbursement and the person, organization, or other entity receiving the disbursement shall appear and give testimony concerning the proposed disbursement. Following the hearing, the Interim Joint Committee on Appropriations and Revenue shall make findings concerning whether or not the disbursement:

1. Is consistent with the nature, character, and purpose for which the funds were recovered; and
2. Is in the best interest of the Commonwealth.

A copy of the findings shall be publicly released and mailed or otherwise delivered to the entity or organization seeking disbursement, the secretary of the Finance and Administration Cabinet, and the state controller.

(4) Except for the settlement referenced in subsection (1)(d) of this section, whenever the Attorney General or other duly elected statewide constitutional officer is a party to or has entered his appearance in, a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or by a person, organization, or entity created by the Attorney General, or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes, those funds shall be deposited in the State Treasury and the funds or assets administered and disbursed by the Charitable Asset Administration Board created under this section. As used in this section "CAAB" means the Charitable Asset Administration Board.

(a) The CAAB shall consist of the following members, who shall be confirmed by the Senate under KRS 11.160, and who shall serve at the pleasure of the duly elected statewide constitutional officer making the appointment during that constitutional officer's term of office:

1. Three (3) members to be appointed by the Governor;
2. Three (3) members to be appointed by the Attorney General; and
3. Three (3) members to be appointed by the Auditor of Public Accounts.

(b) Each duly elected statewide constitutional officer under paragraph (a) of this subsection shall appoint at least one (1) member who has a background in the administration of charitable, eleemosynary, benevolent, educational, or similar type trust assets, but shall not be currently involved in any activity that would violate the provisions of KRS 11A.040, as they relate to the performance of the appointee's duties on the CAAB.

(c) All appointees to the CAAB shall comply with the provisions of the Executive Branch Code of Ethics found in KRS Chapter 11A.

(d) A vacancy in the membership of the CAAB shall be filled in the same manner and under the same conditions as the initial appointment to the board.

(e) The CAAB shall:

1. Be a nonprofit, de jure, quasi-governmental corporation subject to the Kentucky Open Records Law, KRS 61.870 to 61.884, and Kentucky Open Meetings Law, KRS 61.800 to 61.850;
2. Have any and all general corporate, trust, or other powers reasonable or necessary to fulfill the requirements and purposes of the CAAB;
3. Be audited on an annual basis by the Auditor of Public Accounts;
4. Provide any documents, written reports, and audits to the Legislative Research Commission as may be requested; and
5. Provide representatives of the organization or entity to testify before any committee of the Kentucky General Assembly when requested concerning the work and financial condition of the CAAB.

(f) The CAAB shall have full authority over the administration, control, and disbursement of any funds recovered under this subsection. The CAAB shall receive, analyze, administer, disburse, and preserve the identity, character, and nature and the charitable, eleemosynary, benevolent, educational, or similar public purpose of the funds or assets received consistent with this subsection and the authority for administering the funds recovered as set forth in the:

1. Articles of incorporation and bylaws of the corporation;
2. Partnership agreement or other business association agreement;
3. Contractual agreement;
4. Governing documents of the public or private foundation;
5. Charitable trust documents;
6. Terms of the constructive trust;
7. Orders of a state or federal court;
8. State or federal law or regulation; or
9. Any other governing documents necessary to properly administer the funds recovered.

(g) The CAAB may hold public hearings, if necessary, concerning the proper administration or disbursement of trust assets received and to be administered under this subsection.

(h) 1. After April 21, 2000, all charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, to which this subsection applies, recovered by way of judgment, settlement, or otherwise, shall be transferred to the CAAB for administration of those funds or assets consistent with their charitable, eleemosynary, benevolent, educational, or similar public purpose and the provisions of this subsection.

2. Amend title to read "AN ACT relating to state personnel.".

HB 659, AN ACT relating to consolidated local governments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

If a cooperative compact exists between a city of the first class and its county prior to the creation of a consolidated local government, upon the establishment of the consolidated local government, the mayor of the consolidated local government shall assume all board and agency appointment authority previously held by the county judge/executive and the mayor of the consolidating governments. Appointments to boards and agencies made by the mayor should reflect the diversity of the population within the jurisdiction of the consolidated local government.

SECTION 2. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any provision to the contrary, any statute which confers any rights, powers, privileges, immunities, or responsibilities upon the county judge/executive in a county formerly containing a city of the first class and presently having a consolidated local government, is hereby deemed to confer such rights, powers, privileges, immunities, and responsibilities upon the mayor of the consolidated local government.

(2) Any statute which confers any rights, powers, privileges, immunities, or responsibilities upon a fiscal court in a county formerly containing a city of the first class and now having a consolidated local government, is hereby deemed to confer such rights, powers, privileges, immunities, and responsibilities upon the officer or officers in whom such functions are vested in the consolidated local government by KRS 67C.103(1) and 67C.105(1), respectively. This provision applies to the general statutes applicable to counties, as well as applying to statutes applicable only within a county formerly containing a city of the first class.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) Unless otherwise provided by law, any elected officer of a consolidated local government in case of misconduct, incapacity, or willful neglect in the performance of the duties of his or her office may be removed from office by the legislative council, sitting as a court, under oath, upon charges preferred by the mayor or by any five (5) members of the legislative council, or, in case of charges against the mayor, upon charges preferred by not less than ten (10) members of the legislative council. No legislative council member preferring a charge shall sit as a member of the legislative council when it tries that charge.

(2) No elected officer shall be removed without having been given the right to a full public hearing.

(3) A decision to remove a mayor or legislative council member shall require a vote of two-thirds (2/3) of the total number of legislative council members sitting as a court.

(4) Any elected officer removed from office under the provisions of this section may appeal to the Circuit Court and from there to the Court of Appeals. The appeal to the Circuit Court shall be taken and tried in the same manner as civil cases are tried.

(5) No elected officer removed from office under this section shall be eligible to fill the office vacated before the expiration of the term to which the elected member was originally elected.

SECTION 4. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

The territory of a consolidated local government may, as permitted by Section 172A of the Constitution of Kentucky, be divided into service districts. Each service district shall constitute a separate tax district within which the consolidated local government may, upon receipt of a petition signed by a majority of the registered voters in the district as of the last general election, levy and collect taxes in accordance with the kind, type, and character of the services provided by the consolidated local government in each of these service districts. A consolidated local government may abolish or alter service districts, but any expansion of the boundaries of a service district shall require a petition signed by a majority of the registered voters, as of the last election, in the new territory to be included in the service district. Notwithstanding the foregoing provision, a consolidated local government may not create or change the boundaries of a service district if that change would adversely affect the powers or functions of any city, existing taxing district, fire protection district, water district, or any other special taxing or service district of any kind which was in existence on the date the consolidated local government became effective unless such entity consents by resolution adopted by its governing body.

SECTION 5. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) In order to maintain the tax structure, tax rates, or level of services in the area of the consolidated local government formerly comprising the city of the first class, the legislative council of a consolidated local government may provide in the manner described in this chapter for taxes and services within the area comprising the former city of the first class which are different from the taxes and services which are applicable in the remainder of the county. These differences may include differences in tax rates upon the class of property which includes the surface of the land, differences in ad valorem tax rates upon personal property, and differences in tax rates upon insurance premiums.

(2) Any difference in the ad valorem tax rate on the class of property which includes the surface of the land in the portion of the county formerly comprising the city of the first class and in the portion of the county other than that formerly comprising the city of the first class may be imposed directly by the consolidated local government council. Any change in these ad valorem tax rates shall comply with KRS 68.245, 132.010, 132.017, and 132.027 and shall be used for services as provided by KRS 82.085.

(3) If the consolidated local government council determines to provide for tax rates applicable to health insurance premiums and personal property which are different in the area formerly comprising the city of the first class than the rates applicable in the remainder of the county, it shall do so in the following manner. The consolidated local government council shall by ordinance create a tax district to be known as the "urban service tax district" bounded by the former boundaries of the former city of the first class. The ordinance shall designate the number of members of the board of this taxing district and the manner in which they shall be appointed. The ordinance shall provide that the board of the taxing district shall receive the income derived from the differential in tax rate applicable in the area formerly comprising the city of the first class with respect to personal property, health insurance premiums, or both, and shall contract with the consolidated local government to pay all sums collected to the consolidated local government, in return for the provision of services performed by the consolidated local government within the area formerly comprising the city of the first class which services are in addition to services performed by the consolidated local government in the remainder of the county.

(4) After the initial formation of an urban service taxing district in a consolidated local government, the boundaries of the district may be modified in the following manner. The proposal to alter the boundaries of the urban service taxing district within a consolidated local government may be initiated by:

(a) A resolution enacted by the consolidated local government describing the boundaries of the area to be added to or deleted from the taxing district and duly passed and signed by the mayor not less than one hundred twenty (120) days before the next regularly scheduled election day within the county; or

(b) A petition signed by a number of qualified voters living within precincts within the area to be added to or deleted from the taxing district equal to ten percent (10%) of the votes cast within each precinct in the last general election for President of the United States and delivered to the clerk of the legislative council more than

one hundred twenty (120) days next preceding the next regularly scheduled election day within the county.

The boundaries so described in either case shall not cross precinct lines. The question of whether the area bounded as described should be added to or deleted from, as the case may be, the urban services taxing district shall then be placed upon the ballot in the precincts in the area to be added or deleted at the next regular election and the question stated on the ballot shall be so phrased that a "Yes" vote shall be cast in favor of making the proposed change and a "No" vote shall be cast to oppose the proposed change. If a majority of those voting in those precincts support the change, then the change in the boundaries of the urban service district shall be implemented.

Section 6. KRS 15A.305 is amended to read as follows:

(1) The Department of Juvenile Justice shall, with available funds, develop and administer a statewide detention program and, as each regional facility is constructed and ready for occupancy, shall, within appropriation limitations, provide for:

(4) Detention rates charged by contracting detention facilities shall not exceed the rate in effect on July 1, 1997, subject to increases approved by the department.

(5) The Department of Juvenile Justice shall issue and enforce administrative regulations to govern the following:

(b) Intake and classification;

(c) Programs and services;

(6) No juvenile detention facility or juvenile holding facility shall be taken over, purchased, or leased by the Commonwealth without prior approval of the fiscal court upon consultation with the jailer in the county where the facility is located. The county, upon consultation with the jailer, may enter into contracts with the Commonwealth for the holding, detention, and transportation of juveniles.

(7) Administrative regulations promulgated under subsection (5) of this section shall specifically identify new requirements of the law which increase the cost of operating a juvenile facility not operated by the Department for Juvenile Justice. Section 21. KRS 64.5275 is amended to read as follows:

(1) The General Assembly of the Commonwealth of Kentucky hereby finds and determines that county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties are officers whose duties or jurisdictions are coextensive with that of the Commonwealth within the meaning of Section 246 of the Constitution of Kentucky.

(2) Effective on the first Monday in January of 1999, the maximum salary of county judges/executive, county clerks, jailers

who operate a full service jail, and sheriffs shall be fixed by the Department for Local Government according to a salary schedule in accordance with Section 246 of the Kentucky Constitution. The salary schedule provides that these officials, as officers whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars ($12,000) per annum as adjusted for any increase or decrease in the consumer price index and as described in subsection (4) of this section.

(3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census's annual estimates. To implement the salary schedule, the Department for Local Government shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

The petition shall be signed by at least one hundred (100) registered voters from each senatorial district, contained wholly or partially within the proposed taxing district. If one hundred (100) registered voters do not reside within a senatorial district and within the boundaries of the proposed taxing district, then the petition shall be signed by twenty-five percent (25%) of the registered voters within said senatorial district. At the time of its submission to fiscal court ***the*** fiscal court ***or consolidated local government council*** each petition shall be accompanied by a plan of service, showing such of the following as may be germane to the purposes for which the taxing district is being formed:

   (a) The statutory authority under which the district is created and under which the taxing district will operate;

   (b) The method of creating and appointing the governing body of such district if it is to be different from the general statutory authority under which it will operate;

   (c) Demographic characteristics of the area including but not limited to population, density, projected growth, and assessed valuation;

   (d) A description of the service area including, but not limited to, the population to be served, a metes and bounds description of the area of the proposed taxing district, the anticipated date of beginning service, the nature and extent of the proposed service, the projected effect of providing service on the social and economic growth of the area, and projected growth in service demand or need;

   (e) A three (3) year projection of cost versus revenue and the method chosen for raising such revenues as authorized in this section;

   (f) Justification for formation of the taxing district including but not limited to the location of nearby governmental and nongovernmental providers of like services; and

   (g) Any additional information such as land use plans, existing land uses, drainage patterns, health problems, and other similar analyses which bear on the necessity and means of providing the proposed service.

(2) The fiscal court clerk ***or the clerk of the legislative council of a consolidated local government*** shall notify all planning commissions, cities, and area development districts within whose jurisdiction the proposed service area is located and any

state agencies required by law to be notified of the proposal for the creation of the taxing district.

(3) The fiscal court clerk ***or the clerk of the legislative council of a consolidated local government*** shall review the petition, and if the fiscal court ***or consolidated local government council*** determines that the signatures are valid, the fiscal court ***or consolidated local government council*** shall schedule a hearing on the proposal for no earlier than thirty (30) nor later than sixty (60) days following receipt of the petition, charter, and plan of service, and shall, in accordance with the provisions of KRS Chapter 424, publish notice which includes the time and place of the public hearing, alerts the public that the issue discussed at the hearing will be placed upon the ballot and includes an accurate map of the area or a description in layman's terms reasonably identifying the area.

(4) At the public hearing, the fiscal court ***or the legislative council of a consolidated local government*** shall take testimony of interested parties and solicit the recommendations of any planning commission, city, area development district, or state agency meeting the criteria of subsection (2) of this section.

(5) Following the public hearing, the fiscal court ***or the legislative council of a consolidated local government*** shall adopt a resolution submitting to the qualified voters of the county ***or the consolidated local government*** the question as to whether a taxing district should be established for the area and a special ad valorem tax or an occupational license fee imposed for the maintenance and operation of the district. A certified copy of the order of the fiscal court ***or the legislative council of a consolidated local government*** shall be filed with the county clerk not later than the second Tuesday in August prior to the next regular election and thereupon the clerk shall cause the question to be placed upon the ballot.

(6) The question shall be stated so that the service to be provided by the district, the type of governing body***,*** and the method of financing as allowed by this section are clearly outlined.

(7) If a majority of those voting on the question favor the establishment of a special district with authorization to impose an ad valorem tax then it shall be so established and shall constitute and be a taxing district within the meaning of Section 157 of the Constitution of Kentucky. If a majority of those voting on the question favor the establishment of a special district with an increase in the occupational license fee as authorized by this section, it shall be so established and shall operate as set forth in the question on the ballot.

(8) If an ad valorem tax is approved, the county clerk shall add the levy to the tax bills of the county ***or the consolidated local government***. For taxing purposes the effective date of the tax levy shall be January 1 of the year following the election. If an occupational license fee increase is approved, the appropriate legislative bodies shall add the levy to the occupational license fee as of January 1 of the year following the election. The special ad valorem tax or fee shall be in addition to all other ad valorem taxes or occupational license fees.

(9) Nothing in this section shall be construed to enlarge upon or to restrict the powers granted a taxing district under the taxing district's specific authorizing statutes.

(10) A special district created pursuant to this section may be financed either by a special ad valorem tax imposed by the governing body of the district, as authorized by the voters in an election on the question, of an amount not to exceed ten cents ($0.10) per one hundred dollars ($100) of assessed value of the property subject to local taxation of the district; or by a levy of occupational license fees by the public body or bodies with jurisdiction over the area served by the special district, if the levy has been approved by the voters in an election on the question. The special district shall not levy both an ad valorem tax and an occupational license fee. The occupational license fee shall not exceed one percent (1%) of:

(a) Salaries, wages, commissions, and other compensation earned by persons for work done and services performed or rendered; and

(11) The budget of any taxing district created pursuant to this section shall be approved by the fiscal court ***or legislative council of a consolidated local government*** if financed by an ad valorem tax, or by the fiscal court ***or the legislative council of a consolidated local government*** and the legislative body levying the fee, if funded by an occupational license fee increase. The board of the district shall submit its estimate of revenue and proposed budget to the appropriate approving body or bodies by May 1 of each year, and such body or bodies shall approve or amend the budget by June 1.

The rate of such tax shall be established by an ordinance which shall have readings at no less than two (2) different meetings of the city legislative body before passage.

If the[~~city~~] legislative body ***of the city or a consolidated local government*** decides the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city ***or consolidated local government***, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

(2) Except as provided for by ordinance in a ***consolidated local government, in a*** city of the first class or in a county containing a city of the first class, subdivision regulations which have been adopted as provided in KRS Chapter 100, and where streets or public ways as dedicated on the final subdivision plat have been constructed, inspected, and approved in accordance with the subdivision regulations, then the procedure for filing the map or plat with the[~~city~~] legislative body ***of the consolidated local government, city, or county, as the case may be,*** as required in subsection (1) of this section shall be waived, and the dedicated street or public way shall automatically be deemed beneficial to the public interest and shall be, by operation of law, automatically accepted for maintenance by the ***consolidated local government,*** city***, or county***, ***respectively,*** forty-five (45) days after inspection and final approval, and shall be a public way for all purposes, KRS Chapter 83A, regarding a city's***, county's, or consolidated local government's*** adoption of ordinances notwithstanding.

Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years. Provided, however, that property of a railroad company shall not be presumed to be dedicated as a public way or easement under this section or any other rule of law in force in this state unless the company consents to said dedication in writing.

(4) Any person who shall lodge for record in the county clerk's office, and any county clerk or deputy who shall receive for record or permit to be lodged for record, any plat, map, deed, or other instrument contrary to the provisions of this section, shall be fined not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for each offense.

Upon the effective date of the compact, the mayor, and county judge/executive with the approval of the fiscal court, shall adjust the terms of the sitting members so that the terms of one (1) of each of their appointments expire in one (1) year, the term of one (1) of each of their appointments expire in two (2) years and the term of one (1) of each of their appointments expire in three (3) years. Upon expiration of these staggered terms, successors shall be appointed for a term of three (3) years.

Section 135. KRS 100.201 is amended to read as follows:

(1) Except as provided in subsection ***(3)***[~~(2)~~] of KRS 100.137, when the planning commission and legislative bodies have adopted the statement of goals and objectives, and the planning commission has additionally adopted at least the land use element for the planning unit, the various legislative bodies and fiscal courts of the cities and counties, which are members of the unit, may enact interim zoning or other kinds of growth management regulations which shall have force and effect within their respective jurisdictions for a period not to exceed twelve (12) months, during which time the planning commission shall complete the remaining elements of the comprehensive plan as prescribed by KRS 100.187. Interim regulations shall become void upon the enactment of permanent regulations as provided in subsection (2) of this section, or after twelve (12) consecutive months from the date such interim regulations are enacted, whichever occurs first.

(2) When all required elements of the comprehensive plan have been adopted in accordance with the provisions of this chapter, then the legislative bodies and fiscal courts within the planning unit may enact permanent land use regulations, including zoning and other kinds of growth management regulations to promote public health, safety, morals, and general welfare of the planning unit, to facilitate orderly and harmonious development and the visual or historical character of the unit, and to regulate the density of population and intensity of land use in order to provide for adequate light and air. In addition, land use and zoning regulations may be employed to provide for vehicle parking and loading space, as well as to facilitate fire and police protection, and to prevent the overcrowding of land, blight, danger, and congestion in the circulation of people and commodities, and the loss of life, health, or property from fire, flood, or other dangers. Land use and zoning regulations may also be employed to protect airports, highways, and other transportation facilities, public

facilities, schools, public grounds, historical districts, central business districts, prime agricultural land, and other natural resources; to regulate the use of sludge from water and waste water treatment facilities in projects to improve soil quality; and to protect other specific areas of the planning unit which need special protection by the planning unit.

(3) Land use and zoning regulations may include the designation of specifically defined areas to be known as urban residential zones, in which:

(a) The majority of the structures were in use prior to November 22, 1926; and

(b) 1. The entire area embodies the distinctive characteristics of a type, period, or method of construction; or

2. The entire area represents a significant and distinguishable entity whose components may lack individual distinction.

The usage of structures within an urban residential zone may be regulated on a structure-by-structure basis, permitting a mixture of uses in the zone, including single-family and multi-family residential, retail, and service establishments, which stabilizes and protects the urban residential character of the area. The regulation of the usage of any structure shall be guided by the architecture, size, or traditional use of the building.

Section 136. KRS 100.202 is amended to read as follows:

(1) Subject to KRS ***100.137(3)***[~~100.137(2)~~], nothing in this chapter shall preclude the legislative bodies and fiscal courts of cities and counties comprising a planning unit from enacting a land use regulation which places all property within their respective jurisdictions in a single zone and addressing all land use proposals therein as conditional use permits.

(2) The text of any land use regulation enacted pursuant to this section need not comply with the provisions of KRS 100.203, and may provide that the planning commission shall assume all powers and duties of a board of adjustment as provided in KRS 100.217 to 100.263. Any appeal from an action of the planning commission in granting or denying a variance or conditional use permit shall be taken pursuant to KRS 100.347(2).

Section 137. KRS 100.205 is amended to read as follows:

Except as provided in KRS ***100.137(3)***[~~100.137(2)~~], nothing contained in this chapter shall be construed or implied as requiring the legislative bodies of cities and counties comprising the same joint planning unit to adopt identical zoning regulations. Nor shall the adoption or amendment of a zoning regulation by the legislative body of any city or county contained within a joint planning unit be made contingent on the adoption or amendment of such zoning regulation by the legislative body of any other city or county within the planning unit.

Section 138. KRS 100.208 is amended to read as follows:

(1) Any city, county, ***consolidated local government,*** or urban-county government which is part of a planning unit may provide, by ordinance, for:

(a) The voluntary transfer of the development rights permitted on one (1) parcel of land to another parcel of land;

(b) Restricting or prohibiting further development of the parcel from which development rights are transferred; and

(c) Increasing the density or intensity of development of the parcel to which such rights are transferred.

(2) The ordinance shall designate and show on the zoning map areas from which development rights may be transferred and areas to which such rights may be transferred and used for development. These zones may be designated as separate use districts or as overlaying other zoning districts.

(3) Any city within a county that adopts an ordinance providing for the transfer of development rights, may also adopt a transfer of development rights ordinance and the county and city by adoption of mutual provisions may provide for the transfer of development rights on land located in one to land located in another.

(4) "Transferable development rights" means an interest in real property that constitutes the right to develop and use property under the zoning ordinance which is made severable from the parcel to which the interest is appurtenant and transferable to another parcel of land for development and use in accordance with the zoning ordinance. Transferable development rights may be transferred by deed from the owner of the parcel from which the development rights are derived and upon the transfer shall vest in the grantee and be freely alienable. The zoning ordinance may provide for the method of transfer of these rights and may provide for the granting of easements and reasonable regulations to effect and control transfers and assure compliance with the provisions of the ordinance.

Section 139. KRS 100.209 is amended to read as follows:

(1) When a city which has adopted zoning or other land use regulations pursuant to this chapter proposes to annex unincorporated or accept the transfer of incorporated territory, it may amend its comprehensive plan and official zoning map to incorporate and establish zoning or other land use regulations for the property proposed for annexation or transfer prior to adoption of the ordinance of annexation or transfer. If the city elects to follow this procedure, the planning commission shall hold a public hearing, after the adoption of the ordinance stating the city's intention to annex or transfer property and prior to final action upon the ordinance of annexation or transfer, for the purpose of adopting the comprehensive plan amendment and making its recommendations as to the zoning or other land use regulations which will be effective for the property upon its annexation or transfer. Notice setting forth the time, date, location, and purpose of the public hearing shall be published as required by KRS Chapter 424 and shall be given to the owners of all properties within

the area proposed for annexation or transfer and to adjoining property owners in accordance with KRS 100.212(2). The city legislative body shall take final action upon the planning commission's recommendations prior to adoption of the ordinance of annexation or transfer and shall include in the ordinance of annexation or transfer a map showing the zoning or other land use regulations which will be effective for the annexed or transferred property. If the city elects not to follow the procedure provided for in this section prior to the adoption of the ordinance of annexation or transfer, the newly annexed or transferred territory shall remain subject to the same land use restrictions, if any, as applied to it prior to annexation or transfer until those restrictions are changed by zoning map amendments or other regulations in accordance with this chapter.

(2) When a city is created or when a city of the fifth or sixth class is reclassified to a city of the fourth class or higher in a county containing a city of the first class ***or a consolidated local government***, and the intent is to regulate land use within the confines of the city, the process for adopting or amending the comprehensive plan and adopting zoning or other land use regulations shall be as provided for in this chapter. Until such actions have been taken, the properties within the city shall remain subject to the land use restrictions, if any, as applied prior to the creation or reclassification of the city.

Section 140. KRS 100.211 is amended to read as follows:

(1) A proposal for a zoning map amendment may originate with the planning commission of the unit, with any fiscal court or legislative body which is a member of the unit, or with an owner of the property in question. Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall then hold at least one (1) public hearing after notice as required by this chapter and make findings of fact and a recommendation of approval or disapproval of the proposed map amendment to the various legislative bodies or fiscal courts involved. The findings of fact and recommendation shall include a summary of the evidence and testimony presented by the proponents and opponents of the proposed amendment. A tie vote shall be subject to further consideration by the planning commission for a period not to exceed thirty (30) days, at the end of which if the tie has not been broken, the application shall be forwarded to the fiscal court or legislative body without a recommendation of approval or disapproval. It shall take a majority of the entire legislative body or fiscal court to override the recommendation of the planning commission and it shall take a majority of the entire legislative body or fiscal court to adopt a zoning map amendment whenever the planning commission forwards the application to the fiscal court or legislative body without a recommendation of approval or disapproval due to a tie vote. Unless a majority of the entire legislative body or fiscal court votes to override the planning commission's recommendation, such recommendation shall become final and effective and if a recommendation of approval was made by the planning commission, the ordinance of the fiscal court or legislative body adopting the zoning map amendment shall be deemed to have passed by operation of law.

(2) A proposal to amend the text of any zoning regulation which must be voted upon by the legislative body or fiscal court may originate with the planning commission of the unit or with any fiscal court or legislative body which is a member of the unit. Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall hold at least one (1) public hearing after notice as required by KRS Chapter 424 and make a recommendation as to the text of the amendment and whether the amendment shall be approved or disapproved and shall state the reasons for its recommendation. In the case of a proposed amendment originating with a legislative body or fiscal court, the planning commission shall make its recommendation within sixty (60) days of the date of its receipt of the proposed amendment. It shall take an affirmative vote of a majority of the fiscal court or legislative body to adopt the proposed amendment.

(3) Procedures prescribed in KRS 100.207 applicable to the publication of notice also shall apply to any proposed amendment to a zoning regulation text or map; provided that:

(a) Any published notice shall include the street address of the property in question, or if one is not available or practicable due to the number of addresses involved, a geographic description sufficient to locate and identify the property, and the names of two (2) streets on either side of the property which intersect the street on which the property is located; and

(b) When the property in question is located at the intersection of two (2) streets, the notice shall designate the intersection by name of both streets rather than name the two (2) streets on either side of the property.

(4) When a property owner proposes to amend the zoning map of any planning unit other than a planning unit containing a city of the first class ***or a consolidated local government***, the provisions of KRS 100.212 shall apply in addition to the requirements and procedures prescribed in subsection (3) of this section.

(5) When a property owner proposes to amend the zoning map of any planning unit comprising any portion of a county containing a city of the first class ***or a consolidated local government***, the provisions of KRS 100.214 shall apply in addition to the requirements and procedures prescribed in subsection (3) of this section.

(6) In addition to the public notice requirements prescribed in subsection (3) of this section, when the planning commission, fiscal court, or legislative body of any planning unit originates a proposal to amend the zoning map of that unit, notice of the public hearing before the planning commission, fiscal court, or legislative body shall be given at least thirty (30) days in advance of the hearing by first class mail to an owner of every parcel of property the classification of which is proposed to be changed. Records by the property valuation administrator may be relied upon to determine the identity and address of said owner.

(7) The fiscal court or legislative body shall take final action upon a proposed zoning map amendment within ninety (90) days of the date upon which the planning commission takes its final action upon such proposal.

Section 141. KRS 100.212 is amended to read as follows:

When in any planning unit except for a planning unit containing a city of the first class ***or a consolidated local government***, a hearing is scheduled on a proposal by a property owner to amend any zoning map, the following notice shall be given in addition to any other notice required by statute, local regulation, or ordinance:

(1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed for fourteen (14) consecutive days immediately prior to the hearing. Posting shall be as follows:

(a) The sign shall state "zoning change" and the proposed classification change in letters three (3) inches in height. The time, place, and date of hearing shall be in letters at least one (1) inch in height; and

(b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission; and

(2) Notice of the hearing shall be given at least fourteen (14) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed to an owner of every parcel of property adjoining the property the classification of which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all adjoining property. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of the owner. If the property is in condominium or cooperative forms of ownership, the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

(3) If the property the classification of which is proposed to be changed adjoins property in a different planning unit, or property which is not part of any planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:

(a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or

(b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 142. KRS 100.214 is amended to read as follows:

When in any planning unit containing any portion of a county containing a city of the first class ***or a consolidated local government*** a hearing is scheduled on a proposal by a property owner to amend any zoning map the following notice shall be given in addition to any other notice required by statute by local regulation or ordinance to be given:

(1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed thirty (30) days immediately prior to the hearing. Posting shall be as follows:

(a) The sign shall state "zoning change" and the proposed classification change in letters three (3) inches in height. The time, place and date of hearing shall be in letters at least one (1) inch in height; and

(b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission;

(2) Notice of the hearing shall be given at least thirty (30) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed, to the mayor and city clerk of any city of the fifth or sixth class so affected, to an owner of every parcel of property adjoining at any point the property the classification of which is proposed to be changed, to an owner of every parcel of property directly across the street from said property, and to an owner of every parcel of property which adjoins at any point the adjoining property or the property directly across the street from said property; provided, however, that no first-class mail notice, required by this subsection, shall be required to be given to any property owner whose property is more than five hundred (500) feet from the property which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address;

(3) If the hearing has been scheduled for a time during normal working hours, and if, within fifteen (15) days of the scheduled date of the hearing the planning commission shall receive a petition from two hundred (200) property owners living within the planning unit requesting that the hearing be rescheduled for a time after normal working hours, then the planning commission shall reschedule the hearing for a time after normal working hours on a date no earlier than the date of the original hearing. The planning commission shall then publish notice of the new hearing time and date according to the

provisions of KRS 100.211, except that notice shall occur at least seven (7) days prior to the public hearing. The sign required by subsection (1) of this section shall be changed to reflect the new hearing time and date at least seven (7) days prior to the public hearing. The persons who receive mail notice according to the provisions of subsection (2) of this section shall again be notified in the same manner of the new hearing time and date at least seven (7) days prior to the hearing. The hearing time shall not be changed more than once by the procedures of this section except in the event of intervening emergency which requires the cancellation of a hearing; and

(4) Notice by mail shall include a list of the names and addresses of each person so notified, and a description of the procedure by which those notified can petition for a change in the hearing time.

Section 143. KRS 100.217 is amended to read as follows:

(1) Before any zoning regulation may have legal effect within the planning unit, a board or boards of adjustment shall be appointed for the planning unit as stated in the agreement under which the unit operates. The agreement may provide for additional boards of adjustment with jurisdiction of a particular city or area within the planning unit. Provided, that the jurisdiction of the boards of adjustment so established shall be clearly defined as to territorial limits, that all territory within the planning unit is within the jurisdiction of some board of adjustment so established and that no territory is subject to the jurisdiction of more than one (1) board of adjustment, except as provided in KRS 100.203(5). ***In a county containing a consolidated local government where a planning agreement is not required, there shall be one (1) board of adjustment which shall be established by ordinance of the consolidated local government. Until such time as the consolidated local government establishes and appoints a board of adjustment pursuant to this subsection, the existing board of adjustment for the county shall serve as the board of adjustment for the entire planning unit.***

(2) A board of adjustment shall consist of either three (3), five (5), or seven (7) members, all of whom must be citizen members, and not more than two (2) of whom may be citizen members of the planning commission.

(3) The mayor shall be the appointing authority for cities, and the county judge/executive shall be the appointing authority for counties, subject to the approval of their respective legislative bodies. ***The mayor shall be the appointing authority for a consolidated local government.***

(4) The term of office for the board of adjustment shall be four (4) years, but the term of office of members first appointed shall be staggered so that a proportionate number serve one (1), two (2), three (3), and four (4) years respectively.

(5) Vacancies on the board of adjustment shall be filled within sixty (60) days by the appropriate appointing authority. If the authority fails to act within that time, the planning commission shall fill the vacancy. When a vacancy occurs other than through expiration of the term of office, it shall be filled for the remainder of that term.

(6) All members of boards of adjustment shall, before entering upon their duties, qualify by taking the oath of office prescribed by Section 228 of the Constitution of the Commonwealth of Kentucky before any judge, county judge/executive, notary public, clerk of a court, or justice of the peace within the district or county in which he resides.

(7) Reimbursement for expenses or compensation or both may be authorized for members on a board of adjustment.

(8) Any member of a board of adjustment may be removed by the appropriate appointing authority for inefficiency, neglect of duty, malfeasance, or conflict of interest. Any appointing authority who exercises the power to remove a member of the board of adjustment shall submit a written statement to the commission setting forth the reasons for removal, and the statement shall be read at the next meeting of the board of adjustment, which shall be open to the general public. The member so removed shall have the right of appeal from the removal to the Circuit Court of the county in which he resides.

(9) Notwithstanding subsection (4) of this section, when a city of the first class and a county containing such city have in effect a compact pursuant to KRS 79.310 to 79.330, the terms of the members on the board shall be for three (3) years and until their successors are appointed and qualified. Upon the effective date of the compact, if the board is not reorganized pursuant to subsection (1) of this section, the mayor, and county judge/executive with approval of the fiscal court, shall adjust the terms of the sitting members to provide that the terms of one-third (1/3) plus one (1) of the members expire in one (1) year, the terms of one-third (1/3) of the members in two (2) years and the terms of one-third (1/3) of the members expire in three (3) years. Upon expiration of these staggered terms, successors shall be appointed for a term of three (3) years. ***Notwithstanding subsection (4) of this section, upon the establishment of a consolidated local government in a county where a city of the first class and a county containing such city have had in effect a cooperative compact pursuant to KRS 79.310 to 79.330, the terms of the members on the board shall be for three (3) years and until their successors are appointed and qualified. Upon expiration of the terms of incumbent members, their successors shall be appointed to three (3) year terms which are staggered.***

(10) Each board of adjustment annually shall elect a chairman, vice chairman, and secretary and any other officers it deems necessary, and any officer shall be eligible for reelection at the expiration of his term.

Section 144. KRS 100.237 is amended to read as follows:

The board shall have the power to hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only in specific locations in the zone only if certain conditions are met:

(1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one (1) or more things be done before the request

can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.

(2) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of building, housing, and other regulations.

(3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year, if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, are completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.

(4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustment. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustment. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustment finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustment may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.

(5) Once the board of adjustment has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.

(6) When an application is made for a conditional use permit for land located within or abutting any residential zoning district, written notice shall be given at least fourteen (14) days in advance of the public hearing on the application to the applicant, administrative official, the mayor and city clerk of any city of the fifth or sixth class so affected, within any county containing a city of the first class ***or a consolidated local government***, an owner of every parcel of property adjoining the property to which the application applies and such other persons as the local zoning ordinance, regulations, or board of adjustment bylaws shall direct. Written notice shall be by first class mail with certification by the board's secretary or other officer that the notice was mailed. It shall be the duty of the applicant to furnish to the board the name and address of an owner of each parcel of property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairperson of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

(7) When any property within the required notification area for a public hearing upon a conditional use permit application is located within an adjoining city, county, or planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:

(a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or

(b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 145. KRS 100.253 is amended to read as follows:

(1) The lawful use of a building or premises, existing at the time of the adoption of any zoning regulations affecting it may be continued, although such use does not conform to the provisions of such regulations, except as otherwise provided herein.

(2) The board of adjustment shall not allow the enlargement or extension of a nonconforming use beyond the scope and area of its operation at the time the regulation which makes its use nonconforming was adopted, nor shall the board permit a change from one nonconforming use to another unless the new nonconforming use is in the same or a more restrictive classification, provided, however, the board of adjustment may grant approval, effective to maintain nonconforming-use

status, for enlargements or extensions, made or to be made, of the facilities of a nonconforming use, where the use consists of the presenting of a major public attraction or attractions, such as a sports event or events, which has been presented at the same site over such period of years and has such attributes and public acceptance as to have attained international prestige and to have achieved the status of a public tradition, contributing substantially to the economy of the community and state, of which prestige and status the site is an essential element, and where the enlargement or extension was or is designed to maintain the prestige and status by meeting the increasing demands of participants and patrons.

(3) Any use which has existed illegally and does not conform to the provisions of the zoning regulations, and has been in continuous existence for a period of ten (10) years, and which has not been the subject of any adverse order or other adverse action by the administrative official during said period, shall be deemed a nonconforming use. Thereafter, such use shall be governed by the provisions of subsection (2) of this section.

(4) The provisions of subsection (3) of this section shall not apply to counties containing a city of the first class, a city of the second class, ***a consolidated local government,*** or ***an*** urban-county government.

Section 146. KRS 100.277 is amended to read as follows:

(1) All subdivision of land shall receive commission approval.

(2) No person or his agent shall subdivide any land, before securing the approval of the planning commission of a plat designating the areas to be subdivided, and no plat of a subdivision of land within the planning unit jurisdiction shall be recorded by the county clerk until the plat has been approved by the commission and the approval entered thereon in writing by the chairman, secretary, or other duly authorized officer of the commission.

(3) No person owning land composing a subdivision, or his agent, shall transfer or sell any lot or parcel of land located within a subdivision by reference to, or by exhibition, or by any other use of a plat of such subdivision, before such plat has received final approval of the planning commission and has been recorded. Any such instrument of transfer or sale shall be void and shall not be subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission, but all rights of such purchaser to damages are hereby preserved. The description of such lot or parcel by metes and bounds in any instrument of transfer or other document used in the process of selling or transferring same shall not exempt the person attempting to transfer from penalties provided or deprive the purchaser of any rights or remedies he may otherwise have. Provided, however, any person, or his agent, may agree to sell any lot or parcel of land located within a subdivision by reference to an unapproved or unrecorded plat or by reference to a metes and bounds description of such lot and any such executory contract of sale or option to purchase may be recorded and shall be valid and enforceable so long as the subdivision of land contemplated therein is lawful and the subdivision plat subsequently receives final approval of the planning commission.

(4) Any street or other public ground which has been dedicated shall be accepted for maintenance by the legislative body after it has received final plat approval by the planning commission. Any street that has been built in accordance with specific standards set forth in subdivision regulations or by ordinance shall be, by operation of law, automatically accepted for maintenance by a legislative body forty-five (45) days after inspection and final approval.

(5) Any instrument of transfer, sale or contract that would otherwise have been void under this section and under any of its subsections previously, is deemed not to have been void, but merely not subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission. This subsection shall not apply to instruments of transactions affecting property in counties containing cities of the first class***, in consolidated local governments created pursuant to KRS Chapter 67C,*** or in urban-counties created pursuant to KRS Chapter 67A.

Section 147. KRS 100.324 is amended to read as follows:

(1) All other provisions of this chapter to the contrary notwithstanding, public utilities operating under the jurisdiction of the Public Service Commission, except as specified in KRS 100.987 and subsection (5) of this section, or the Department of Vehicle Regulation or Federal Power Commission, any municipally-owned electric system, and common carriers by rail shall not be required to receive the approval of the planning unit for the location or relocation of any of their service facilities. Service facilities include all facilities of such utilities and common carriers by rail other than office space, garage space, and warehouse space and include office space, garage space, and warehouse space when such space is incidental to a service facility. The Public Service Commission and the Department of Vehicle Regulation shall give notice to the planning commission of any planning unit of any hearing which affects locations or relocations of service facilities within that planning unit's jurisdiction.

(2) The nonservice facilities excluded in subsection (1) of this section must be in accordance with the zoning regulations.

(3) Upon the request of the planning commission, the public utilities referred to in this section shall provide the planning commission of the planning unit affected with information concerning service facilities which have been located on and relocated on private property.

(4) Any proposal for acquisition or disposition of land for public facilities, or changes in the character, location, or extent of structures or land for public facilities, excluding state and federal highways and public utilities and common carriers by rail mentioned in this section, shall be referred to the commission to be reviewed in light of its agreement with the comprehensive plan, and the commission shall, within sixty (60) days from the date of its receipt, review the project and advise the referring body whether the project is in accordance with the comprehensive plan. If it disapproves of the project,

it shall state the reasons for disapproval in writing and make suggestions for changes which will, in its opinion, better accomplish the objectives of the comprehensive plan. No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.

(5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class ***or a consolidated local government*** shall submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally-adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally-adopted zoning regulations. If the planning commission fails to issue a final decision within sixty (60) days, it is presumed to have approved the proposal, and may not later appeal a decision of the Public Service Commission under KRS 278.650(3). If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally-adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its final decision on the utility proposal, whichever occurs first.

Section 148. KRS 100.331 is amended to read as follows:

Except in counties containing a consolidated local government, fiscal courts are granted all the legislative powers granted to all cities for purposes of adopting regulations and legislation proposed under this chapter.

Section 149. KRS 100.347 is amended to read as follows:

(1) Any person or entity claiming to be injured or aggrieved by any final action of the board of adjustment shall appeal from the action to the Circuit Court of the county in which the property, which is the subject of the action of the board of adjustment, lies. Such appeal shall be taken within thirty (30) days after the final action of the board. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. The board of adjustment shall be a party in any such appeal filed in the Circuit Court.

(2) Any person or entity claiming to be injured or aggrieved by any final action of the planning commission shall appeal from the final action to the Circuit Court of the county in which the property, which is the subject of the commission's action, lies. Such appeal shall be taken within thirty (30) days after such action. Such action shall not include the commission's recommendations made to other governmental bodies. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. Provided, however, any appeal of a planning commission action granting or denying a variance or conditional use permit authorized by KRS 100.203(5) shall be taken pursuant to this subsection. In such case, the thirty (30) day period for taking an appeal begins to run at the time the legislative body grants or denies the map amendment for the same development. The planning commission shall be a party in any such appeal filed in the Circuit Court.

(3) Any person or entity claiming to be injured or aggrieved by any final action of the legislative body of any city, county***,*** ***consolidated local government,*** or urban-county government, relating to a map amendment shall appeal from the action to the Circuit Court of the county in which the property, which is the subject of the map amendment, lies. Such appeal shall be taken within thirty (30) days after the final action of the legislative body. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. The legislative body shall be a party in any such appeal filed in the Circuit Court.

(4) The owner of the subject property and applicants who initiated the proceeding shall be made parties to the appeal. Other persons speaking at the public hearing are not required to be made parties to such appeal.

(5) For purposes of this chapter, final action shall be deemed to have occurred on the calendar date when the vote is taken to approve or disapprove the matter pending before the body.

Section 150. KRS 100.401 is amended to read as follows:

It is the intent of KRS 100.401 to 100.419 to strengthen the enforcement of binding elements which have been approved as part of a land use development plan in a county containing a city of the first class ***or consolidated local government***. This is intended to be done by extending to a planning commission in counties containing a city of the first class ***or consolidated local government*** the authority to issue remedial orders and impose civil fines in order to provide an equitable, expeditious, effective, and inexpensive method of ensuring compliance with approved land use plans as they apply to binding element agreements. KRS 100.401 to 100.419 is intended and shall be construed to provide an additional or supplemental means of obtaining compliance with local zoning ordinances and nothing contained in KRS 100.401 to 100.419 shall prohibit the enforcement of local zoning ordinances by any other means authorized by law.

Section 151. KRS 100.403 is amended to read as follows:

As used in KRS 100.401 to 100.419, unless the context otherwise requires:

(1) "Land use enforcement officer" in a county containing a city of the first class ***or consolidated local government*** means

an[~~a zoning enforcement~~] officer ***authorized***[~~employed~~] by a planning commission ***to enforce binding elements***.

(2) "Land use ordinance" in a county containing a city of the first class ***or consolidated local government*** means an official action of a local government body which is a regulation of a general and permanent nature relating to the use and development of land within the jurisdictional boundary of the planning commission. It is enforceable as a local law and shall include any provision of a code of ordinances adopted by a local government which embodies all or part of an ordinance.

(3) "Local government" means a county containing a city of the first class ***or consolidated local government*** and all cities of the first through fourth classes within ***the***[~~that~~] county.

(4) "Binding element" in a county containing a city of the first class ***or consolidated local government*** means a binding requirement, provision, restriction, or condition imposed by a planning commission or its designee, or a promise or agreement made by an applicant in writing in connection with the approval of a land use development plan or subdivision plan.

Section 152. KRS 100.405 is amended to read as follows:

(1) The planning commission in counties containing a city of the first class ***or a consolidated local government*** may issue remedial orders and impose civil fines as a method of enforcing a binding element when a violation of that binding element has been classified as a civil offense in accordance with this section.

(2) Subject to the limitations set forth in subsections (1) and (3) of this section, if a local government elects to enforce a binding element as a civil offense, it shall do so by ordinance, which shall provide:

(a) That a violation of the binding element is a civil offense; and

(b) A maximum civil fine that may be imposed for each violation of a binding element.

(3) No local government shall classify the violation of a binding element as a civil offense if the violation would also constitute an offense under any provision of the Kentucky Revised Statutes, including specifically, and without limitation, any provision of the Kentucky Penal Code and any moving motor vehicle offense.

Section 153. KRS 100.985 is amended to read as follows:

In addition to the definitions set forth in KRS 100.111, the following definitions shall apply to KRS 100.985 to 100.987:

(1) "Cellular antenna tower" means a tower constructed for, or an existing facility that has been adapted for, the location of transmission or related equipment to be used in the provision of cellular telecommunications services or personal communications services;

(2) "Cellular telecommunications service" means a retail telecommunications service that uses radio signals transmitted through cell sites and mobile switching stations;

(3) "Co-location" means locating two (2) or more transmission antennas or related equipment on the same cellular antenna tower;

(4) "Personal communication service" has the meaning as defined in 47 U.S.C. sec. 332(c);

(5) "Uniform application" means an application for a certificate of convenience and necessity issued under KRS 278.020 submitted by a utility to the Public Service Commission to construct an antenna tower for cellular telecommunications services of personal communications service in a jurisdiction, that has adopted planning and zoning regulations in accordance with this chapter, except for any county that contains a city of the first class ***or a consolidated local government***; and

(6) "Utility" has the meaning as defined in KRS 278.010(3).

Section 154. KRS 100.987 is amended to read as follows:

(1) A planning unit as defined in KRS 100.111 and legislative body or fiscal court that has adopted planning and zoning regulations, except for a county that contains a city of the first class ***or a consolidated local government*** as provided under KRS 278.650, may plan for and regulate the siting of cellular antenna towers in accordance with locally adopted planning or zoning regulations in this chapter by officially registering with the Public Service Commission. The registration shall be in the form of an official resolution adopted by the local planning commission. Nothing in this section shall require a planning unit and legislative body or fiscal court to plan for and regulate the siting of cellular antenna towers.

(2) Every utility or a company that is engaged in the business of providing the required infrastructure to a utility that proposes to construct an antenna tower for cellular telecommunications services or personal communications services within the jurisdiction of a planning unit that has adopted planning and zoning regulations in accordance with this chapter, except for a county that contains a city of the first class ***or a consolidated local government*** as provided under KRS 278.650, and that has officially registered with the Public Service Commission shall:

(a) Submit a copy of the utility's completed uniform application to the planning commission of the affected planning unit to construct an antenna tower for cellular or personal telecommunications services within five (5) days of applying to the Public Service Commission for a certificate of necessity and convenience as required by KRS 278.020(1). The uniform application shall include a grid map that shows the location of all existing cellular antenna towers and that indicates the general position of proposed construction sites for new cellular antenna towers within an area that includes:

1. All of the planning unit's jurisdiction; and
2. A one-half (1/2) mile area outside of the boundaries of the planning unit's jurisdiction, if that area contains either existing or proposed construction sites for cellular antenna towers;

(b) Include in any contract with an owner of property upon which a cellular antenna tower is to be constructed, a provision that specifies, in the case of abandonment, a method that the utility will follow in dismantling and removing a cellular antenna tower including a timetable for removal; and

(c) Comply with any local ordinances concerning land use, subject to the limitations imposed by 47 U.S.C. sec. 332(c), KRS 278.030, 278.040, and 278.280.

(3) Commencing from the time that a utility files a uniform application with the Public Service Commission, all information contained in the uniform application and any updates, except for information that specifically identifies the proposed location of the cellular antenna tower then being reviewed by the applying utility, shall be deemed confidential and proprietary within the meaning of KRS 61.878. The Public Service Commission and the local planning commission shall deny any public request for the inspection of this information, whether submitted under Kentucky's Open Records Act or otherwise, except when ordered to release the information by a court of competent jurisdiction. Any person violating this subsection shall be guilty of official misconduct in the second degree as provided under KRS 522.030.

(4) After receiving the uniform application to construct a cellular antenna tower, the planning commission shall:

(a) Review the uniform application in light of its agreement with the comprehensive plan and locally adopted zoning regulations;

(b) Make its final decision to approve or disapprove the uniform application; and

(c) Advise the utility and the Public Service Commission in writing of its final decision within sixty (60) days commencing from the date that the uniform application is received by the planning commission or within a date certain specified in a written agreement between the local planning commission and the utility. If the planning commission fails to issue a final decision within sixty (60) days and if there is no written agreement between the local planning commission and the utility to a specific date for the planning commission to issue a decision, it is presumed that the local planning commission has approved the utility's uniform application.

(5) (a) If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the planning commission approves the uniform application or the sixty (60) day time period has expired, whichever occurs first. If a planning commission rejects the uniform application to construct an antenna tower, the Public Service Commission may override the decision of the planning commission and issue a certificate of convenience and necessity for construction of the cellular or personal communications services antenna tower, if it determines that there is no acceptable alternate site and that the public convenience and necessity requires the proposed construction.

(b) Any party, other than the applying utility, that is aggrieved by the final action of a planning commission under this section, may intervene in the action to the Public Service Commission, but this appeal shall not automatically postpone action by the Public Service Commission.

(6) The planning commission may require the utility to make a reasonable attempt to co-locate additional transmitting or related equipment on any new or existing towers, if there is available space on the tower and the co-location does not interfere with the structural integrity of the tower and does not require the owner of the tower to make substantial alterations to the tower. A planning commission may provide the location of existing cellular antenna towers on which the commission deems the applying utility can successfully co-locate its transmitting and related equipment. If the local planning commission requires the utility to attempt co-location, the utility shall provide the local planning unit with a statement indicating that the utility has:

(a) Successfully attempted to co-locate on towers designed to host multiple wireless service providers' facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities, and that identifies the location of the tower which the applying utility will co-locate its transmission and related facilities on; or

(b) Unsuccessfully attempted to co-locate on towers designed to host multiple wireless service provider's facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities and that:

1. Identifies the location of the towers which the applying utility attempted to co-locate on; and
2. Lists the reasons why the co-location was unsuccessful in each instance.

(7) The local planning commission may deny a uniform application to construct a cellular antenna tower based on a utility's unwillingness to attempt to co-locate additional transmitting or related equipment on any new or existing towers.

(8) In the event of co-location, a utility shall be considered the primary user of the tower, if the utility is the owner of the antenna tower and if no other agreement exists that prescribes an alternate arrangement between the parties for use of the tower. Any other entity that co-locates transmission or related facilities on a cellular antenna tower shall do so in a manner that does not impose additional costs or operating restrictions on the primary user.

Section 155. KRS 108.060 is amended to read as follows:

A civil service system for employees of the district may be established by the council in accordance with the plan outlined for cities of the first class ***or a consolidated local government*** under KRS 90.110 to 90.230.

Section 156. KRS 132.012 is amended to read as follows:

As used in this section and in KRS 91.285, unless the context otherwise requires:

(1) "Abandoned urban property" means any vacant structure or vacant or unimproved lot or parcel of ground in a predominantly developed urban area which has been vacant or unimproved for a period of at least one (1) year and which:

(a) Because it is dilapidated, unsanitary, unsafe, vermin infested, or otherwise dangerous to the safety of persons, it is unfit for its intended use; or

(b) By reason of neglect or lack of maintenance has become a place for the accumulation of trash and debris, or has become infested with rodents or other vermin; or

(c) Has been tax delinquent for a period of at least three (3) years.

(2) For purposes of local taxation in cities of the first class ***or consolidated local governments***, there shall be a classification of real property known as abandoned urban property. The legislative body of a city of the first class ***or consolidated local government*** may levy a rate of taxation on abandoned urban property higher than the prevailing rate of taxation on other real property in the city ***or consolidated local government***. The limitation upon tax rates established by KRS 132.027 shall not apply to the rate of taxation on abandoned urban property.

Section 157. KRS 132.015 is amended to read as follows:

The property valuation administrator shall maintain lists of all real property additions and real property deletions to the property tax rolls for the county***, consolidated local government,*** or urban-county, and each city, school district***,*** and special district in the county***, consolidated local government,*** or urban-county, and shall certify such lists to the Revenue Cabinet, the city clerk of each city in the county which elects to use the annual county assessment as provided for in KRS 132.285, the treasurer or chief officer of each special district in the county, and the chief administrative officer of the urban-county ***and the consolidated local government*** at the time he files his recapitulation of property assessed on the tax roll with the Revenue Cabinet.

Section 158. KRS 132.017 is amended to read as follows:

(1) (a) That portion of a tax rate levied by an ordinance, order, resolution, or motion of a county fiscal court, district board of education or legislative body of a city, urban-county government***, consolidated local government,*** or other taxing district subject to recall as provided for in KRS 68.245, 132.023, 132.027 and 160.470, shall go into effect forty-five (45) days after its passage. If during the forty-five (45) days next following the passage of the order, resolution, or motion, a petition signed by a number of registered and qualified voters equal to ten percent (10%) of the voters voting in the last presidential election is presented to the county clerk or his authorized deputy protesting against passage of the ordinance, order, resolution, or motion, the ordinance, order, resolution, or motion shall be suspended from going into effect until after the election referred to in subsection (2) of this section. When the petition is presented to the county clerk or his authorized deputy, the officer shall immediately notify the presiding officer of the appropriate fiscal court, district board of education,[~~ or~~] legislative body of a city***, consolidated local government,***[~~ or~~] urban-county government***,*** or other taxing district, as the case may be. Each sheet of the petition shall contain the names, residence addresses, and Social Security numbers or dates of birth of voters in but one (1) voting precinct, and each sheet shall state the name, number, or designation of the precinct and, where applicable, the name, designation, or number of the district or ward wherein the precinct is situated. The county clerk shall make the conclusive determination of whether the petition contains enough signatures of qualified voters to suspend the effect of the order or resolution.

(b) The county fiscal court, district board of education, or legislative body of a city, urban-county government, ***consolidated local government,*** or other taxing district may cause the cancellation of the election by reconsidering the ordinance, order, resolution, or motion and amending the ordinance, order, resolution, or motion to levy a tax rate which will produce no more revenue from real property, exclusive of revenue from new property as defined in KRS 132.010, than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010 from real property. The action by the county fiscal court, district board of education, legislative body of a city, urban-county government, ***consolidated local government,*** or other taxing district shall be valid only if taken within fifteen (15) days following the date of the presentation of the petition.

If the election is held in conjunction with a regular election, the question shall be submitted to the county clerk not later than the second Tuesday in August preceding the regular election. To implement the salary schedule, the cabinet shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the Revenue Cabinet the total number of years, not to exceed four (4) years, that the person has previously served in the office. The cabinet shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(1) The word "city" shall mean any city of the first class ***or consolidated local government*** for which a bridge commission shall be appointed under the provisions of KRS 181.850;

(2) The word "commission" shall mean any bridge commission created under the provisions of KRS 181.850, or, if any such commission shall be abolished, the board, body, or commission succeeding to the principal functions thereof or to whom the powers given by KRS 181.850 to 181.869 to the commission shall be given by law;

(3) The word "bridge" shall include the substructure and superstructure, overpasses, underpasses, entrance plazas, tollhouses, administration, storage, and other buildings and facilities, all equipment therefor, and such approaches and approach highways as may be determined by the commission to be necessary to facilitate the flow of traffic or to connect such bridge with the highway systems or other traffic facilities in the vicinity of such bridge, together with all property, rights, easements, and interests which may be acquired by the commission for the construction or operation of such bridge;

(4) The word "cost" as applied to a bridge shall embrace the cost of construction, the cost of the acquisition of all land, rights-of-way, property, rights, easements, and interests acquired by the commission for such construction, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved, the cost of all machinery and equipment, financing charges, interest prior to and during construction, and, if deemed advisable by the commission, for a period not exceeding one (1) year after completion of construction, cost of traffic estimates and of engineering, financial and legal services, plans, specifications, surveys, estimates of cost and of revenues, other expenses necessary or incident to determining the feasibility or practicability of constructing any such bridge, administrative expenses, and such other expenses as may be necessary or incident to the construction of the bridge, the financing of such construction, and the placing of the bridge in operation. Any obligation or expense incurred by the city in connection with any of the foregoing items of cost may be regarded as a

part of such cost and reimbursed to the city out of the proceeds of revenue bonds issued under the provisions of KRS 181.850 to 181.869.

Section 192. KRS 181.853 is amended to read as follows:

(1) The commission is hereby authorized and empowered to acquire by purchase, whenever it shall deem such purchase expedient, solely from funds provided under the authority of KRS 181.850 to 181.869, within or without the Commonwealth, such lands, structures, property, rights, rights of way, franchises, easements and other interests in lands, including lands lying under water and riparian rights, as it may deem necessary or convenient for the construction or operation of any bridge, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof, and to take title thereto in the name of the city for the use and benefit of the commission.

(2) Whenever a reasonable price cannot be agreed upon, or whenever the owner is legally incapacitated or is absent, unknown or unable to convey valid title, the commission is hereby authorized and empowered to acquire by condemnation or by the exercise of the power of eminent domain any lands, property, rights, rights of way, franchises, easements and other property, including public lands, parks, playgrounds, reservations, highways, or parkways or parts thereof or rights therein, of any person, co-partnership, association, railroad, public service, public utility or other corporation, or municipality or political subdivision deemed necessary or convenient for the construction or the efficient operation of any bridge or necessary in the restoration of public or private property damaged or destroyed. Any such proceedings shall be conducted in the name of the commission, and the compensation to be paid shall be ascertained and paid, in the manner provided by the constitution and laws of the Commonwealth then applicable which relate to condemnation or to the exercise of the power of eminent domain by cities[~~ of the first class~~]. Title to any property acquired by the commission shall be taken in the name of the city for the use and benefit of the commission. In any condemnation proceedings the court having jurisdiction of the suit, action or proceeding may make such orders as may be just to the commission and to the owners of the property to be condemned and may require an undertaking or other security to secure such owners against any loss or damage by reason of the failure of the commission to accept and pay for the property, but neither such undertaking or security nor any act or obligation of the commission shall impose any liability upon the city or commission except as may be paid from the funds provided under the authority of KRS 181.850 to 181.869.

(3) If the owner, lessee or occupier of any property to be condemned shall refuse to remove his ***or her*** personal property therefrom or give up possession thereof, the commission may proceed to obtain possession in any manner now or hereafter provided by law.

(4) With respect to any railroad property or right of way upon which railroad tracks are located, any powers of condemnation or of eminent domain may be exercised to acquire only an easement interest therein which shall be located either sufficiently far above or sufficiently far below the grade of any railroad track or tracks upon such railroad property so that neither the proposed bridge nor any part thereof, including abutments, columns, supporting structures and appurtenances, nor any traffic upon it shall interfere in any manner with the use, operation or maintenance of the trains, tracks, works or appurtenances or other property of the railroad nor endanger the movement of the trains or traffic upon the tracks of the railroad. Prior to the institution of condemnation proceedings for such easement over or under such railroad property or rights of way, plans and specifications of the proposed bridge showing compliance with the above-mentioned above or below grade requirements and showing sufficient and safe plans and specifications of such overhead or undergrade structure and appurtenances shall be submitted to the railroad for examination and approval. If the railroad fails or refuses within thirty (30) days to approve the plans and specifications so submitted, the matter shall be submitted to the department of works of the city whose decision, arrived at after due consideration and with an opportunity to the railroad to be heard, shall be final as to the sufficiency and safety of such plans and specifications and as to such elevations or distances above or below the tracks. Said overhead or undergrade structure and appurtenances shall be constructed only in accordance with such plans and specifications and in accordance with such elevations or distances above or below the tracks so approved by the railroad or the department of works of said city as the case may be. A copy of the plans and specifications approved by the railroad or the department of works of said city shall be filed as an exhibit with the petition for condemnation.

(5) The Commonwealth hereby consents to the use of all lands owned by it, including lands lying under water, which are deemed by the commission to be necessary for the construction or operation of any bridge.

Section 226. KRS 416.560 is amended to read as follows:

(1) Notwithstanding any other provision of the law, a department, instrumentality or agency of ***a consolidated local government,*** city, county, or urban-county government, other than a waterworks corporation the capital stock of which is wholly owned by a city of the first class ***or a consolidated local government***, having a right of eminent domain under other statutes shall exercise such right only by requesting the governing body of the ***consolidated local government,*** city, county, or urban-county to institute condemnation proceedings on its behalf. If the governing body of the ***consolidated local government,*** city, county, or urban-county agrees, it shall institute such proceedings under KRS 416.570, and all costs involved in the condemnation shall be borne by the department, instrumentality, or agency requesting the condemnation.

(2) If any department, instrumentality or agency of a ***consolidated local government,*** city, county, or urban-county government, other than a waterworks corporation the capital stock of which is wholly owned by a city of the first class ***or a consolidated local government***, operates in more than one (1) governmental unit, it shall request the governing body of the ***consolidated local government,*** city, county, or urban-county government wherein the largest part of the individual tract of the property sought to be condemned lies, to institute condemnation proceedings on its behalf.

(3) A department, instrumentality, or agency of the Commonwealth of Kentucky, other than the Transportation Cabinet and local boards of education, having a right of eminent domain under other statutes shall exercise such right only by requesting the Finance and Administration Cabinet to institute condemnation proceedings on its behalf. (4) Prior to the filing of the petition to condemn, the condemnor or its employees or agents shall have the right to enter upon any land or improvement which it has the power to condemn, in order to make studies, surveys, tests, sounding, and appraisals, provided that the owner of the land or the party in whose name the property is assessed has been notified ten (10) days prior to entry on the property. Any actual damages sustained by the owner of a property interest in the property entered upon by the condemnor shall be paid by the condemnor and shall be assessed by the court or the court may refer the matter to commissioners to ascertain and assess the damages sustained by the condemnee, which award shall be subject to appeal.

Section 227. KRS 424.130 is amended to read as follows:

(1) Except as otherwise provided in KRS 424.110 to 424.370 and notwithstanding any provision of existing law providing for different times or periods of publication, the times and periods of publications of advertisements required by law to be made in a newspaper shall be as follows:

(a) When an advertisement is of a completed act, such as an ordinance, resolution, regulation, order, rule, report, statement, or certificate and the purpose of the publication is not to inform the public or the members of any class of persons that they may or shall do an act or exercise a right within a designated period or upon or by a designated date, the advertisement shall be published one (1) time only and within thirty (30) days after completion of the act. However, a failure to comply with this paragraph shall not subject a person to any of the penalties provided by KRS 424.990 unless such failure continues for a period of ten (10) days after notice to comply has been given him by registered letter.

(b) When an advertisement is for the purpose of informing the public or the members of any class of persons that on or before a certain day they may or shall file a petition or exceptions or a remonstrance or protest or objection, or resist the granting of an application or petition, or present or file a claim, or submit a bid, the advertisement shall be published at least once, but may be published two (2) or more times, provided that one (1) publication occurs not less than seven (7) days nor more than twenty-one (21) days before the occurrence of the act or event.

(c) Excepting counties with a city of the first class ***or a consolidated local government***, when an advertisement is for the purpose of informing the public and the advertisement is of a sale of property or is a notice of delinquent taxes, the advertisement shall be published once a week for three (3) successive weeks. For counties containing a city of the first class ***or a consolidated local government***, when an advertisement is for the purpose of informing the public and the advertisement is a notice of delinquent taxes, or notice of the sale of tax claims, the advertisement shall be published once, preceded by a one-half (1/2) page notice of advertisement the preceding week. The provisions of this paragraph shall not be construed to require the advertisement of notice of delinquent state taxes which are collected by the state.

(d) Any advertisement not coming within the scope of paragraph (a), (b) or (c) of this subsection, such as one for the purpose of informing the public or the members of any class of persons of the holding of an election, or of a public hearing, or of an examination, or of an opportunity for inspection, or of the due date of a tax or special assessment, shall be published at least once but may be published two (2) or more times, provided that one (1) publication occurs not less than seven (7) days nor more than twenty-one (21) days before the occurrence of the act or event, or in the case of an inspection period, the inspection period commences.

(e) If the particular statute requiring that an advertisement be published provides that the day upon or by which, or the period within which, an act may or shall be done or a right exercised, or an event may or shall take place, is to be determined by computing time for the day of publication of an advertisement, the advertisement shall be published at least once, promptly, in accordance with the statute, and the computation of time shall be from the day of initial publication.

(2) This section is not intended to supersede or affect any statute providing for notice of the fact that an adversary action in court has been commenced.

Section 228. KRS 424.220 is amended to read as follows:

(1) Excepting officers of a city of the first class ***or a consolidated local government***, a county containing such a city ***or consolidated local government***, a public agency of such a city***, consolidated local government,*** or county, or a joint agency of such a city***, consolidated local government,*** and county, or of a school district of such a city***, consolidated local government,*** or county, and excepting officers of a city of the second class or an urban-county government, every public officer of any school district, city, ***consolidated local government,*** county, or subdivision, or district less than a county, whose duty it is to collect, receive, have the custody, control, or disbursement of public funds, and every officer of any board or commission of a city, ***consolidated local government,*** county or district whose duty it is to collect, receive, have the custody, control, or disbursement of funds collected from the public in the form of rates, charges, or assessments for services or benefits, shall at the expiration of each fiscal year prepare an itemized, sworn statement of the funds collected, received, held, or disbursed by him during the fiscal year just closed, unless he has complied with KRS 424.230. Pursuant to subsections (2) and (3) of KRS 91A.040, each city of the sixth class shall prepare an itemized, sworn statement of the funds collected, received, held, or disbursed by the city which complies with the provisions of this section.

(2) The statement shall show:

(a) The total amount of funds collected and received during the fiscal year from each individual source; and

(b) The total amount of funds disbursed during the fiscal year to each individual payee and the purpose for which the funds were expended.

(3) Only the totals of amounts paid to each individual as salary or commission and public utility bills shall be shown. (4) The amount of salaries paid to all teachers shall be shown as a lump-sum instructional expenditure for the school district and not by amount paid to individual teachers. The amount of salaries paid to all other employees of the board shall be shown as lump-sum expenditures by category, including, but not limited to, administrative, maintenance, transportation, and food service. The local board of education and the fiscal court shall have accessible a factual list of individual salaries for public scrutiny and the local board and the fiscal court shall furnish by mail a factual list of individual salaries of its employees to a newspaper qualified under KRS 424.120 to publish advertisements for the district, which newspaper may then publish as a news item the individual salaries of school or county employees.

(5) The officer shall procure and include in or attach to the financial statement, as a part thereof, a certificate from the cashier or other proper officer of the banks in which the funds are or have been deposited during the past year, showing the balance, if any, of funds to the credit of the officer making the statement.

(6) The officer shall, except in a city electing to publish its audit in lieu of the financial statement in accordance with KRS 91A.040(6), within sixty (60) days after the close of the fiscal year cause the financial statement to be published in full in a newspaper qualified under KRS 424.120 to publish advertisements for the city, county, or district, as the case may be. Promptly after the publication is made, the officer shall file a written or printed copy of the advertisement with proof of publication, in the office of the county clerk of the county and with the Auditor of Public Accounts. Promptly after the publication is made, the officer shall also file one (1) copy of the financial statement with the Kentucky Department for Local Government.

(7) In lieu of the publication requirements of subsection (6) of this section, the appropriate officer of any municipally-owned electric, gas, or water system may elect to satisfy the requirements of subsection (6) of this section by:

(a) Preparation of a certified audit by a certified public accountant, performed in accordance with generally accepted principles of accounting, for the fiscal year;

(b) Publishing in a newspaper qualified under KRS 424.120 to publish advertisements for the city, county, or district as the case may be, the statement of revenue and expenditures from such audit, together with the statement that the audit report is available for inspection at the offices of the utility; and

(c) Making such audit available for inspection on request of anyone during normal working hours of the utility.

(8) In lieu of the publication requirements of subsection (6) of this section, the appropriate officer of a county may elect to satisfy the requirements of subsection (6) of this section by publishing an audit, prepared in accordance with KRS 43.070 or 64.810, in the same manner that city audits are published in accordance with KRS 91A.040(7).

Section 229. KRS 424.240 is amended to read as follows:

Immediately following the adoption of an annual budget by any county or city other than one of the first class ***or a consolidated local government***, the[~~ county or city~~] clerk shall cause a summary of the budget or the text of the budget ordinance to be advertised for the county***, consolidated local government*** or city by publication in a newspaper.

Section 230. KRS 439.315 is amended to read as follows:

(1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.

(2) The fees shall be as follows:

(a) For a felony, not less than ten dollars ($10) per month while on active supervision nor more than two thousand five hundred dollars ($2,500) per year.

(b) For a misdemeanor, not less than ten dollars ($10) per month while on active supervision nor more than five hundred dollars ($500) per year, except as provided in subsection (13) of this section.

(3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.

(4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.

(5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-

county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanant probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.

(6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

(a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.

(b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.

(7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

(11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.

(12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.

(13) In a city, county, ***consolidated local government,*** charter county, or an urban-county government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanant probation and work release program of the county, city, ***consolidated local government,*** charter county, or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanant defendant placed under the supervision of an adult misdemeanant probation and work release program of a county, city, ***consolidated local government,*** charter county, or an urban-county government shall be not less than one hundred dollars ($100) nor more than five hundred dollars ($500) per year. All sums paid by the defendant under this subsection shall be paid into the general fund of the county, city, ***consolidated local government,*** charter county, or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county or urban-county involved. The adult misdemeanant probation and work release program of the county, ***consolidated local government,*** city, charter county, or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk, and report delinquencies to the court.

The Committee Substitute to **HB 659** is as follows:

HB 659, AN ACT relating to consolidated local governments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

If a cooperative compact exists between a city of the first class and its county prior to the creation of a consolidated local government, upon the establishment of the consolidated local government:

(1) The mayor of the consolidated local government shall assume all appointment authority previously held by the county judge/executive and the mayor of the consolidating governments. Appointments made by the mayor should reflect the diversity of the population within the jurisdiction of the consolidated local government; and

(2) The mayor, in consultation with the legislative council, shall, when authorized by statute, determine which agencies, boards, and commissions created by statute shall require legislative council approval for the appointment of members to such agencies, boards, and commissions. The legislative council shall enact an ordinance setting out the role of the legislative council, if any, in the appointment process for each individual agency, board, and commission created by

statute. Only one (1) agency, board, or commission shall be addressed per ordinance. Such ordinance shall require a vote of the majority of the entire membership of the legislative council for approval and shall be subject to mayoral veto and legislative override pursuant to KRS 67C.105(5)(i) and 67C.103(13)(a); and

(3) The appointment of members to all agencies, boards, and commissions created by ordinance shall be determined by the ordinance creating the agency, board, or commission.

SECTION 2. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any provision to the contrary, any statute which confers any rights, powers, privileges, immunities, or responsibilities upon the county judge/executive in a county formerly containing a city of the first class and presently having a consolidated local government, is hereby deemed to confer such rights, powers, privileges, immunities, and responsibilities upon the mayor of the consolidated local government.

(2) Any statute which confers any rights, powers, privileges, immunities, or responsibilities upon a fiscal court in a county formerly containing a city of the first class and now having a consolidated local government, is hereby deemed to confer such rights, powers, privileges, immunities, and responsibilities upon the officer or officers in whom such functions are vested in the consolidated local government by KRS 67C.103(1) and 67C.105(1), respectively. This provision applies to the general statutes applicable to counties, as well as applying to statutes applicable only within a county formerly containing a city of the first class.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) Unless otherwise provided by law, any elected officer of a consolidated local government in case of misconduct, incapacity, or willful neglect in the performance of the duties of his or her office may be removed from office by the legislative council, sitting as a court, under oath, upon charges preferred by the mayor or by any five (5) members of the legislative council, or, in case of charges against the mayor, upon charges preferred by not less than ten (10) members of the legislative council. No legislative council member preferring a charge shall sit as a member of the legislative council when it tries that charge.

(2) No elected officer shall be removed without having been given the right to a full public hearing.

(3) A decision to remove a mayor or legislative council member shall require a vote of two-thirds (2/3) of the total number of legislative council members sitting as a court.

(4) Any elected officer removed from office under the provisions of this section may appeal to the Circuit Court and from there to the Court of Appeals. The appeal to the Circuit Court shall be taken and tried in the same manner as civil cases are tried.

(5) No elected officer removed from office under this section shall be eligible to fill the office vacated before the expiration of the term to which the elected member was originally elected.

SECTION 4. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

The territory of a consolidated local government may, as permitted by Section 172A of the Constitution of Kentucky, be divided into service districts. Each service district shall constitute a separate tax district within which the consolidated local government may, upon receipt of a petition signed by a majority of the registered voters in the district as of the last general election, levy and collect taxes in accordance with the kind, type, and character of the services provided by the consolidated local government in each of these service districts. A consolidated local government may abolish or alter service districts, but any expansion of the boundaries of a service district shall require a petition signed by a majority of the registered voters, as of the last election, in the new territory to be included in the service district. Notwithstanding the foregoing provision, a consolidated local government may not create or change the boundaries of a service district if that change would adversely affect the powers or functions of any city, existing taxing district, fire protection district, water district, or any other special taxing or service district of any kind which was in existence on the date the consolidated local government became effective unless such entity consents by resolution adopted by its governing body.

SECTION 5. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) In order to maintain the tax structure, tax rates, or level of services in the area of the consolidated local government formerly comprising the city of the first class, the legislative council of a consolidated local government may provide in the manner described in this chapter for taxes and services within the area comprising the former city of the first class which are different from the taxes and services which are applicable in the remainder of the county. These differences may include differences in tax rates upon the class of property which includes the surface of the land, differences in ad valorem tax rates upon personal property, and differences in tax rates upon insurance premiums.

(2) Any difference in the ad valorem tax rate on the class of property which includes the surface of the land in the portion of the county formerly comprising the city of the first class and in the portion of the county other than that formerly comprising the city of the first class may be imposed directly by the consolidated local government council. Any change in these ad valorem tax rates shall comply with KRS 68.245, 132.010, 132.017, and 132.027 and shall be used for services as provided by KRS 82.085.

(3) If the consolidated local government council determines to provide for tax rates applicable to health insurance premiums and personal property which are different in the area formerly comprising the city of the first class than the rates applicable in the remainder of the county, it shall do so in the following manner. The consolidated local

government council shall by ordinance create a tax district to be known as the "urban service tax district" bounded by the former boundaries of the former city of the first class. The ordinance shall designate the number of members of the board of this taxing district and the manner in which they shall be appointed. The ordinance shall provide that the board of the taxing district shall receive the income derived from the differential in tax rate applicable in the area formerly comprising the city of the first class with respect to personal property, health insurance premiums, or both, and shall contract with the consolidated local government to pay all sums collected to the consolidated local government, in return for the provision of services performed by the consolidated local government within the area formerly comprising the city of the first class which services are in addition to services performed by the consolidated local government in the remainder of the county.

(4) After the initial formation of an urban service taxing district in a consolidated local government, the boundaries of the district may be modified in the following manner. The proposal to alter the boundaries of the urban service taxing district within a consolidated local government may be initiated by:

- ***(a) A resolution enacted by the consolidated local government describing the boundaries of the area to be added to or deleted from the taxing district and duly passed and signed by the mayor not less than one hundred twenty (120) days before the next regularly scheduled election day within the county; or***
- ***(b) A petition signed by a number of qualified voters living within precincts within the area to be added to or deleted from the taxing district equal to ten percent (10%) of the votes cast within each precinct in the last general election for President of the United States and delivered to the clerk of the legislative council more than one hundred twenty (120) days next preceding the next regularly scheduled election day within the county.***

The boundaries so described in either case shall not cross precinct lines. The question of whether the area bounded as described should be added to or deleted from, as the case may be, the urban services taxing district shall then be placed upon the ballot in the precincts in the area to be added or deleted at the next regular election and the question stated on the ballot shall be so phrased that a "Yes" vote shall be cast in favor of making the proposed change and a "No" vote shall be cast to oppose the proposed change. If a majority of those voting in those precincts support the change, then the change in the boundaries of the urban service district shall be implemented.

Section 6. KRS 15A.305 is amended to read as follows:

(1) The Department of Juvenile Justice shall, with available funds, develop and administer a statewide detention program and, as each regional facility is constructed and ready for occupancy, shall, within appropriation limitations, provide for:

- (a) The operation of preadjudication detention facilities for children charged with public offenses; and
- (b) The operation of postadjudication detention facilities for children adjudicated delinquent or found guilty of public offenses.

Funds appropriated for the purposes of this section shall only be used for facilities defined in KRS 15A.200.

(2) In each region in which the Department of Juvenile Justice operates or contracts for the operation of a detention facility, the department shall, within appropriation limitations, develop and administer a program for alternatives to detention that shall provide for:

- (a) The operation of or contracting for the operation of preadjudication alternatives to detention and follow-up programs for children who are before the court and who enter pretrial diversion or informal adjustment programs; and
- (b) The operation of or contracting for the operation of postadjudication alternatives to detention and follow-up programs, including but not limited to community-based programs, mentoring, counseling, and other programs designed to limit the unnecessary use of secure detention and ensure public safety.

(3) The department shall, except as provided in KRS 635.060, charge counties***, consolidated local governments,*** and urban-county governments a per diem not to exceed ninety-four dollars ($94) for lodging juveniles in state-owned or contracted preadjudication facilities.

(4) Detention rates charged by contracting detention facilities shall not exceed the rate in effect on July 1, 1997, subject to increases approved by the department.

(5) The Department of Juvenile Justice shall issue and enforce administrative regulations to govern the following:

- (a) Administration;
- (b) Intake and classification;
- (c) Programs and services;
- (d) Recordkeeping;
- (e) Rules and discipline;
- (f) Transfers;
- (g) Reimbursement rates and conditions; and
- (h) Detention facility rate increases.

(6) No juvenile detention facility or juvenile holding facility shall be taken over, purchased, or leased by the Commonwealth

without prior approval of the fiscal court upon consultation with the jailer in the county where the facility is located. The county, upon consultation with the jailer, may enter into contracts with the Commonwealth for the holding, detention, and transportation of juveniles.

(7) Administrative regulations promulgated under subsection (5) of this section shall specifically identify new requirements of the law which increase the cost of operating a juvenile facility not operated by the Department for Juvenile Justice. The administrative regulations shall identify the amount and source of funding for compliance with the new requirements.

Section 7. KRS 15.760 is amended to read as follows:

(1) Each Commonwealth's attorney shall, during the calendar year 1977 and through June 30, 1978, be entitled to at least the number of assistant Commonwealth's attorney positions, stenographic, secretarial and clerical staff positions, investigative and other personnel positions, which he had or was entitled to at the number and salary level in effect on December 1, 1976.

(2) The number of assistant Commonwealth's attorney positions, stenographic, secretarial and clerical staff positions, investigative and other personnel positions, shall be based on real need to be determined with the advice and consent of the Prosecutors Advisory Council.

(3) All assistant Commonwealth's attorneys shall be licensed practicing attorneys. The full-time assistant Commonwealth's attorneys shall not be allowed to engage in the private practice of law.

(4) All salaries paid to personnel appointed hereunder shall be paid from the State Treasury. The salaries shall be commensurate with the appointee's education, experience, training and responsibility, and be based upon the guidelines established by the Prosecutors Advisory Council, which guidelines shall be comparable with the classification and compensation plan for comparable positions maintained by the state Personnel Cabinet, pursuant to KRS 64.640.

(5) The fiscal court***, consolidated local government,*** or urban-county government in the county or counties that comprise the judicial circuit shall be responsible for providing the office of the Commonwealth's attorney with an adequate grand jury room and witness rooms.

(6) (a) Each Commonwealth's attorney shall be authorized to employ individually or jointly with one or more other Commonwealth's attorneys at least one (1) victim advocate to counsel and assist crime victims as defined in KRS 421.500.

(b) An individual employed as a victim advocate shall be a person who by a combination of education, professional qualification, training, and experience is qualified to perform the duties of this position. The victim advocate shall be an individual at least eighteen (18) years of age, of good moral character, with at least two (2) years of experience working in the human services field or court system in a position requiring professional contact with children or adults, who has:

2. Received a high school diploma or equivalency certificate, and, in addition to the experience required in this subsection, has at least four (4) years' experience working in the human services field or court system.

(c) Each Commonwealth's attorney who employs an individual to serve as a victim advocate shall develop a written job description which describes the duties of the position and shall ensure the victim advocate completes training relating to the appropriate intervention with crime victims, including victims of domestic violence. Each victim advocate shall perform those duties necessary to insure compliance with the crime victim's bill of rights contained in KRS 421.500 to 421.530. No victim advocate shall engage in political activities while in the course of performing his duties as victim advocate or the practice of law as defined in KRS 524.130. The creation and funding of any new personnel position shall be reviewed and approved by the Prosecutors Advisory Council.

Section 8. KRS 31.185 is amended to read as follows:

(1) Any defending attorney operating under the provisions of this chapter is entitled to use the same state facilities for the evaluation of evidence as are available to the attorney representing the Commonwealth. If he considers their use impractical, the court concerned may authorize the use of private facilities to be paid for on court order by the county.

(2) The ***consolidated local government,*** fiscal court of each county***,*** or legislative body of an urban-county government shall annually appropriate twelve and a half cents ($0.125) per capita of the population of the county, as determined by the Council of Local Governments' most recent population statistics, to a special account to be administered by the Finance and Administration Cabinet to pay court orders entered against counties pursuant to subsection (1) of this section. The funds in this account shall not lapse and shall remain in the special account.

(3) The Finance and Administration Cabinet shall pay all court orders entered pursuant to subsection (1) of this section from the special account until the funds in the account are depleted. If in any given year the special account including any funds from prior years is depleted and court orders entered against counties pursuant to subsection (1) of this section for that year or any prior year remain unpaid, the Finance and Administration Cabinet shall pay those orders from the Treasury in the same manner in which judgments against the Commonwealth and its agencies are paid.

(4) Only court orders entered after July 15, 1994, shall be payable from the special account administered by the Finance and

Administration Cabinet or from the Treasury as provided in subsections (2) and (3) of this section.

Section 9. KRS 39B.020 is amended to read as follows:

(1) The county judge/executive of each county, the mayor of each city***, consolidated local government,*** or urban-county government, or the chief executive of other local government, within thirty (30) days of assuming office following their election, shall appoint a local emergency management director who meets all qualifications criteria pursuant to KRS Chapters 39A to 39F, and shall immediately notify the director of the Division of Emergency Management of the appointment.

(2) ***Except in a county containing a consolidated local government,*** in lieu of appointing a separate local emergency management director for each jurisdiction, the county judge/executive of a county and mayors of cities or urban-county governments, or the chief executive of other local government located within the territorial boundaries of the same county may jointly appoint a single local emergency management director who meets all the qualifications criteria pursuant to KRS Chapters 39A to 39F. It is the policy of the Division of Emergency Management to encourage and support the joint appointment of a single local director in each territorial county of the Commonwealth. The duly appointed local emergency management director shall direct, control, and manage all the affairs of the local emergency management agency and comprehensive emergency management program of the jurisdictions wherein appointed.

(1) The General Assembly of the Commonwealth of Kentucky hereby finds and determines that county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties are officers whose duties or jurisdictions are coextensive with that of the Commonwealth within the meaning of Section 246 of the Constitution of Kentucky.

(2) Effective on the first Monday in January of 1999, the maximum salary of county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall be fixed by the Department for Local Government according to a salary schedule in accordance with Section 246 of the Kentucky Constitution. The salary schedule provides that these officials, as officers whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars ($12,000) per annum as adjusted for any increase or decrease in the consumer price index and as described in subsection (4) of this section.

(3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census's annual estimates. To implement the salary schedule, the Department for Local Government shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. If one hundred (100) registered voters do not reside within a senatorial district and within the boundaries of the proposed taxing district, then the petition shall be signed by twenty-five percent (25%) of the registered voters within said senatorial district. At the time of its submission to fiscal court ***the*** fiscal court ***or***

(4) At the public hearing, the fiscal court ***or the legislative council of a consolidated local government*** shall take testimony of interested parties and solicit the recommendations of any planning commission, city, area development district, or state agency meeting the criteria of subsection (2) of this section.

If a majority of those voting on the question favor the establishment of a special district with an increase in the occupational license fee as authorized by this section, it shall be so established and shall operate as set forth in the question on the ballot.

(8) If an ad valorem tax is approved, the county clerk shall add the levy to the tax bills of the county ***or the consolidated local government***. For taxing purposes the effective date of the tax levy shall be January 1 of the year following the election. If an occupational license fee increase is approved, the appropriate legislative bodies shall add the levy to the occupational license fee as of January 1 of the year following the election. The board of the district shall submit its estimate of revenue and proposed budget to the appropriate approving body or bodies by May 1 of each year, and such body or bodies shall approve or amend the budget by June 1.

If the[~~ city~~] legislative body ***of the city or a consolidated local government*** decides the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city ***or consolidated local government***, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

(2) Except as provided for by ordinance in a ***consolidated local government, in a*** city of the first class or in a county containing a city of the first class, subdivision regulations which have been adopted as provided in KRS Chapter 100, and where streets or public ways as dedicated on the final subdivision plat have been constructed, inspected, and approved in accordance with the subdivision regulations, then the procedure for filing the map or plat with the[~~ city~~] legislative body ***of the consolidated local government, city, or county, as the case may be,*** as required in subsection (1) of this section shall be waived, and the dedicated street or public way shall automatically be deemed beneficial to the public interest and shall be, by operation of law, automatically accepted for maintenance by the ***consolidated local government,*** city***, or county, respectively,*** forty-five (45) days after inspection and final approval, and shall be a public way for all purposes, KRS Chapter 83A, regarding a city's***, county's, or consolidated local government's*** adoption of ordinances notwithstanding.

Provided, however, that property of a railroad company shall not be presumed to be dedicated as a public way or easement under this section or any other rule of law in force in this state unless the company consents to said dedication in writing.

(1) Except as provided in subsection ***(3)***~~[(2)]~~ of KRS 100.137, when the planning commission and legislative bodies have adopted the statement of goals and objectives, and the planning commission has additionally adopted at least the land use element for the planning unit, the various legislative bodies and fiscal courts of the cities and counties, which are members of the unit, may enact interim zoning or other kinds of growth management regulations which shall have force and effect within their respective jurisdictions for a period not to exceed twelve (12) months, during which time the planning commission shall complete the remaining elements of the comprehensive plan as prescribed by KRS 100.187. Interim regulations shall become void upon the enactment of permanent regulations as provided in subsection (2) of this section, or after twelve (12) consecutive months from the date such interim regulations are enacted, whichever occurs first.

(2) When all required elements of the comprehensive plan have been adopted in accordance with the provisions of this chapter, then the legislative bodies and fiscal courts within the planning unit may enact permanent land use regulations, including zoning and other kinds of growth management regulations to promote public health, safety, morals, and general welfare of the planning unit, to facilitate orderly and harmonious development and the visual or historical character of the unit, and to regulate the density of population and intensity of land use in order to provide for adequate light and air. In addition, land use and zoning regulations may be employed to provide for vehicle parking and loading space, as well as to facilitate fire and police protection, and to prevent the overcrowding of land, blight, danger, and congestion in the circulation of people and commodities, and the loss of life, health, or property from fire, flood, or other dangers. Land use and zoning regulations may also be employed to protect airports, highways, and other transportation facilities, public facilities, schools, public grounds, historical districts, central business districts, prime agricultural land, and other natural resources; to regulate the use of sludge from water and waste water treatment facilities in projects to improve soil quality; and to protect other specific areas of the planning unit which need special protection by the planning unit.

(3) Land use and zoning regulations may include the designation of specifically defined areas to be known as urban residential zones, in which:

(a) The majority of the structures were in use prior to November 22, 1926; and

(b) 1. The entire area embodies the distinctive characteristics of a type, period, or method of construction; or

2. The entire area represents a significant and distinguishable entity whose components may lack individual distinction.

The usage of structures within an urban residential zone may be regulated on a structure-by-structure basis, permitting a mixture of uses in the zone, including single-family and multi-family residential, retail, and service establishments, which stabilizes and protects the urban residential character of the area. The regulation of the usage of any structure shall be guided by the architecture, size, or traditional use of the building.

Section 140. KRS 100.202 is amended to read as follows:

(1) Subject to KRS ***100.137(3)***[~~100.137(2)~~], nothing in this chapter shall preclude the legislative bodies and fiscal courts of cities and counties comprising a planning unit from enacting a land use regulation which places all property within their respective jurisdictions in a single zone and addressing all land use proposals therein as conditional use permits.

(2) The text of any land use regulation enacted pursuant to this section need not comply with the provisions of KRS 100.203, and may provide that the planning commission shall assume all powers and duties of a board of adjustment as provided in KRS 100.217 to 100.263. Any appeal from an action of the planning commission in granting or denying a variance or conditional use permit shall be taken pursuant to KRS 100.347(2).

Section 141. KRS 100.205 is amended to read as follows:

Except as provided in KRS ***100.137(3)***[~~100.137(2)~~], nothing contained in this chapter shall be construed or implied as requiring the legislative bodies of cities and counties comprising the same joint planning unit to adopt identical zoning regulations. Nor shall the adoption or amendment of a zoning regulation by the legislative body of any city or county contained within a joint planning unit be made contingent on the adoption or amendment of such zoning regulation by the legislative body of any other city or county within the planning unit.

Section 142. KRS 100.208 is amended to read as follows:

(1) Any city, county, ***consolidated local government,*** or urban-county government which is part of a planning unit may provide, by ordinance, for:

(a) The voluntary transfer of the development rights permitted on one (1) parcel of land to another parcel of land;

(b) Restricting or prohibiting further development of the parcel from which development rights are transferred; and

(c) Increasing the density or intensity of development of the parcel to which such rights are transferred.

(2) The ordinance shall designate and show on the zoning map areas from which development rights may be transferred and areas to which such rights may be transferred and used for development. These zones may be designated as separate use districts or as overlaying other zoning districts.

(3) Any city within a county that adopts an ordinance providing for the transfer of development rights, may also adopt a transfer of development rights ordinance and the county and city by adoption of mutual provisions may provide for the transfer of development rights on land located in one to land located in another.

(4) "Transferable development rights" means an interest in real property that constitutes the right to develop and use property under the zoning ordinance which is made severable from the parcel to which the interest is appurtenant and transferable to another parcel of land for development and use in accordance with the zoning ordinance. Transferable development rights may be transferred by deed from the owner of the parcel from which the development rights are derived and upon the transfer shall vest in the grantee and be freely alienable. The zoning ordinance may provide for the method of transfer of these rights and may provide for the granting of easements and reasonable regulations to effect and control transfers and assure compliance with the provisions of the ordinance.

Section 143. KRS 100.209 is amended to read as follows:

(1) When a city which has adopted zoning or other land use regulations pursuant to this chapter proposes to annex unincorporated or accept the transfer of incorporated territory, it may amend its comprehensive plan and official zoning map to incorporate and establish zoning or other land use regulations for the property proposed for annexation or transfer prior to adoption of the ordinance of annexation or transfer. If the city elects to follow this procedure, the planning commission shall hold a public hearing, after the adoption of the ordinance stating the city's intention to annex or transfer property and prior to final action upon the ordinance of annexation or transfer, for the purpose of adopting the comprehensive plan amendment and making its recommendations as to the zoning or other land use regulations which will be effective for the property upon its annexation or transfer. Notice setting forth the time, date, location, and purpose of the public hearing shall be published as required by KRS Chapter 424 and shall be given to the owners of all properties within the area proposed for annexation or transfer and to adjoining property owners in accordance with KRS 100.212(2). The city legislative body shall take final action upon the planning commission's recommendations prior to adoption of the ordinance of annexation or transfer and shall include in the ordinance of annexation or transfer a map showing the zoning or other land use regulations which will be effective for the annexed or transferred property. If the city elects not to follow the procedure provided for in this section prior to the adoption of the ordinance of annexation or transfer, the newly annexed or transferred territory shall remain subject to the same land use restrictions, if any, as applied to it prior to annexation or transfer until those restrictions are changed by zoning map amendments or other regulations in accordance

with this chapter.

(2) When a city is created or when a city of the fifth or sixth class is reclassified to a city of the fourth class or higher in a county containing a city of the first class ***or a consolidated local government***, and the intent is to regulate land use within the confines of the city, the process for adopting or amending the comprehensive plan and adopting zoning or other land use regulations shall be as provided for in this chapter. Until such actions have been taken, the properties within the city shall remain subject to the land use restrictions, if any, as applied prior to the creation or reclassification of the city.

Section 144. KRS 100.211 is amended to read as follows:

(1) A proposal for a zoning map amendment may originate with the planning commission of the unit, with any fiscal court or legislative body which is a member of the unit, or with an owner of the property in question. Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall then hold at least one (1) public hearing after notice as required by this chapter and make findings of fact and a recommendation of approval or disapproval of the proposed map amendment to the various legislative bodies or fiscal courts involved. The findings of fact and recommendation shall include a summary of the evidence and testimony presented by the proponents and opponents of the proposed amendment. A tie vote shall be subject to further consideration by the planning commission for a period not to exceed thirty (30) days, at the end of which if the tie has not been broken, the application shall be forwarded to the fiscal court or legislative body without a recommendation of approval or disapproval. It shall take a majority of the entire legislative body or fiscal court to override the recommendation of the planning commission and it shall take a majority of the entire legislative body or fiscal court to adopt a zoning map amendment whenever the planning commission forwards the application to the fiscal court or legislative body without a recommendation of approval or disapproval due to a tie vote. Unless a majority of the entire legislative body or fiscal court votes to override the planning commission's recommendation, such recommendation shall become final and effective and if a recommendation of approval was made by the planning commission, the ordinance of the fiscal court or legislative body adopting the zoning map amendment shall be deemed to have passed by operation of law.

(2) A proposal to amend the text of any zoning regulation which must be voted upon by the legislative body or fiscal court may originate with the planning commission of the unit or with any fiscal court or legislative body which is a member of the unit. Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall hold at least one (1) public hearing after notice as required by KRS Chapter 424 and make a recommendation as to the text of the amendment and whether the amendment shall be approved or disapproved and shall state the reasons for its recommendation. In the case of a proposed amendment originating with a legislative body or fiscal court, the planning commission shall make its recommendation within sixty (60) days of the date of its receipt of the proposed amendment. It shall take an affirmative vote of a majority of the fiscal court or legislative body to adopt the proposed amendment.

(3) Procedures prescribed in KRS 100.207 applicable to the publication of notice also shall apply to any proposed amendment to a zoning regulation text or map; provided that:

(a) Any published notice shall include the street address of the property in question, or if one is not available or practicable due to the number of addresses involved, a geographic description sufficient to locate and identify the property, and the names of two (2) streets on either side of the property which intersect the street on which the property is located; and

(b) When the property in question is located at the intersection of two (2) streets, the notice shall designate the intersection by name of both streets rather than name the two (2) streets on either side of the property.

(4) When a property owner proposes to amend the zoning map of any planning unit other than a planning unit containing a city of the first class ***or a consolidated local government***, the provisions of KRS 100.212 shall apply in addition to the requirements and procedures prescribed in subsection (3) of this section.

(5) When a property owner proposes to amend the zoning map of any planning unit comprising any portion of a county containing a city of the first class ***or a consolidated local government***, the provisions of KRS 100.214 shall apply in addition to the requirements and procedures prescribed in subsection (3) of this section.

(6) In addition to the public notice requirements prescribed in subsection (3) of this section, when the planning commission, fiscal court, or legislative body of any planning unit originates a proposal to amend the zoning map of that unit, notice of the public hearing before the planning commission, fiscal court, or legislative body shall be given at least thirty (30) days in advance of the hearing by first class mail to an owner of every parcel of property the classification of which is proposed to be changed. Records by the property valuation administrator may be relied upon to determine the identity and address of said owner.

(7) The fiscal court or legislative body shall take final action upon a proposed zoning map amendment within ninety (90) days of the date upon which the planning commission takes its final action upon such proposal.

Section 145. KRS 100.212 is amended to read as follows:

When in any planning unit except for a planning unit containing a city of the first class ***or a consolidated local government***, a hearing is scheduled on a proposal by a property owner to amend any zoning map, the following notice shall be given in addition to any other notice required by statute, local regulation, or ordinance:

(1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed for fourteen (14) consecutive days immediately prior to the hearing. Posting shall be as follows:

(a) The sign shall state "zoning change" and the proposed classification change in letters three (3) inches in height. The time, place, and date of hearing shall be in letters at least one (1) inch in height; and

(b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission; and

(2) Notice of the hearing shall be given at least fourteen (14) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed to an owner of every parcel of property adjoining the property the classification of which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all adjoining property. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of the owner. If the property is in condominium or cooperative forms of ownership, the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

(3) If the property the classification of which is proposed to be changed adjoins property in a different planning unit, or property which is not part of any planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:

(a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or

(b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 146. KRS 100.214 is amended to read as follows:

When in any planning unit containing any portion of a county containing a city of the first class ***or a consolidated local government*** a hearing is scheduled on a proposal by a property owner to amend any zoning map the following notice shall be given in addition to any other notice required by statute by local regulation or ordinance to be given:

(1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed thirty (30) days immediately prior to the hearing. Posting shall be as follows:

(a) The sign shall state "zoning change" and the proposed classification change in letters three (3) inches in height. The time, place and date of hearing shall be in letters at least one (1) inch in height; and

(b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission;

(2) Notice of the hearing shall be given at least thirty (30) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed, to the mayor and city clerk of any city of the fifth or sixth class so affected, to an owner of every parcel of property adjoining at any point the property the classification of which is proposed to be changed, to an owner of every parcel of property directly across the street from said property, and to an owner of every parcel of property which adjoins at any point the adjoining property or the property directly across the street from said property; provided, however, that no first-class mail notice, required by this subsection, shall be required to be given to any property owner whose property is more than five hundred (500) feet from the property which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address;

(3) If the hearing has been scheduled for a time during normal working hours, and if, within fifteen (15) days of the scheduled date of the hearing the planning commission shall receive a petition from two hundred (200) property owners living within the planning unit requesting that the hearing be rescheduled for a time after normal working hours, then the planning commission shall reschedule the hearing for a time after normal working hours on a date no earlier than the date of the original hearing. The planning commission shall then publish notice of the new hearing time and date according to the provisions of KRS 100.211, except that notice shall occur at least seven (7) days prior to the public hearing. The sign required by subsection (1) of this section shall be changed to reflect the new hearing time and date at least seven (7) days prior to the public hearing. The persons who receive mail notice according to the provisions of subsection (2) of this section shall again be notified in the same manner of the new hearing time and date at least seven (7) days prior to the hearing. The hearing time shall not be changed more than once by the procedures of this section except in the event of intervening emergency which requires the cancellation of a hearing; and

(4) Notice by mail shall include a list of the names and addresses of each person so notified, and a description of the procedure by which those notified can petition for a change in the hearing time.

Section 147. KRS 100.217 is amended to read as follows:

(1) Before any zoning regulation may have legal effect within the planning unit, a board or boards of adjustment shall be appointed for the planning unit as stated in the agreement under which the unit operates. The agreement may provide for additional boards of adjustment with jurisdiction of a particular city or area within the planning unit. Provided, that the jurisdiction of the boards of adjustment so established shall be clearly defined as to territorial limits, that all territory within the planning unit is within the jurisdiction of some board of adjustment so established and that no territory is subject to the jurisdiction of more than one (1) board of adjustment, except as provided in KRS 100.203(5). ***In a county containing a consolidated local government where a planning agreement is not required, there shall be one (1) board of adjustment which shall be established by ordinance of the consolidated local government. Until such time as the consolidated local government establishes and appoints a board of adjustment pursuant to this subsection, the existing board of adjustment for the county shall serve as the board of adjustment for the entire planning unit.***

(2) A board of adjustment shall consist of either three (3), five (5), or seven (7) members, all of whom must be citizen members, and not more than two (2) of whom may be citizen members of the planning commission.

(3) The mayor shall be the appointing authority for cities, and the county judge/executive shall be the appointing authority for counties, subject to the approval of their respective legislative bodies. ***The mayor shall be the appointing authority for a consolidated local government pursuant to the provisions of Section 1 of this Act.***

(4) The term of office for the board of adjustment shall be four (4) years, but the term of office of members first appointed shall be staggered so that a proportionate number serve one (1), two (2), three (3), and four (4) years respectively.

(5) Vacancies on the board of adjustment shall be filled within sixty (60) days by the appropriate appointing authority. If the authority fails to act within that time, the planning commission shall fill the vacancy. When a vacancy occurs other than through expiration of the term of office, it shall be filled for the remainder of that term.

(6) All members of boards of adjustment shall, before entering upon their duties, qualify by taking the oath of office prescribed by Section 228 of the Constitution of the Commonwealth of Kentucky before any judge, county judge/executive, notary public, clerk of a court, or justice of the peace within the district or county in which he resides.

(7) Reimbursement for expenses or compensation or both may be authorized for members on a board of adjustment.

(8) Any member of a board of adjustment may be removed by the appropriate appointing authority for inefficiency, neglect of duty, malfeasance, or conflict of interest. Any appointing authority who exercises the power to remove a member of the board of adjustment shall submit a written statement to the commission setting forth the reasons for removal, and the statement shall be read at the next meeting of the board of adjustment, which shall be open to the general public. The member so removed shall have the right of appeal from the removal to the Circuit Court of the county in which he resides.

(9) Notwithstanding subsection (4) of this section, when a city of the first class and a county containing such city have in effect a compact pursuant to KRS 79.310 to 79.330, the terms of the members on the board shall be for three (3) years and until their successors are appointed and qualified. Upon the effective date of the compact, if the board is not reorganized pursuant to subsection (1) of this section, the mayor, and county judge/executive with approval of the fiscal court, shall adjust the terms of the sitting members to provide that the terms of one-third (1/3) plus one (1) of the members expire in one (1) year, the terms of one-third (1/3) of the members in two (2) years and the terms of one-third (1/3) of the members expire in three (3) years. Upon expiration of these staggered terms, successors shall be appointed for a term of three (3) years. ***Notwithstanding subsection (4) of this section, upon the establishment of a consolidated local government in a county where a city of the first class and a county containing such city have had in effect a cooperative compact pursuant to KRS 79.310 to 79.330, the terms of the members on the board shall be for three (3) years and until their successors are appointed and qualified. Upon expiration of the terms of incumbent members, their successors shall be appointed to three (3) year terms which are staggered.***

(10) Each board of adjustment annually shall elect a chairman, vice chairman, and secretary and any other officers it deems necessary, and any officer shall be eligible for reelection at the expiration of his term.

Section 148. KRS 100.237 is amended to read as follows:

The board shall have the power to hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only in specific locations in the zone only if certain conditions are met:

(1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one (1) or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.

(2) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of

building, housing, and other regulations.

(3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year, if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, are completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.

(4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustment. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustment. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustment finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustment may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.

(5) Once the board of adjustment has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.

(6) When an application is made for a conditional use permit for land located within or abutting any residential zoning district, written notice shall be given at least fourteen (14) days in advance of the public hearing on the application to the applicant, administrative official, the mayor and city clerk of any city of the fifth or sixth class so affected, within any county containing a city of the first class ***or a consolidated local government***, an owner of every parcel of property adjoining the property to which the application applies and such other persons as the local zoning ordinance, regulations, or board of adjustment bylaws shall direct. Written notice shall be by first class mail with certification by the board's secretary or other officer that the notice was mailed. It shall be the duty of the applicant to furnish to the board the name and address of an owner of each parcel of property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairperson of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

(7) When any property within the required notification area for a public hearing upon a conditional use permit application is located within an adjoining city, county, or planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:

(a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or

(b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 149. KRS 100.253 is amended to read as follows:

(1) The lawful use of a building or premises, existing at the time of the adoption of any zoning regulations affecting it may be continued, although such use does not conform to the provisions of such regulations, except as otherwise provided herein.

(2) The board of adjustment shall not allow the enlargement or extension of a nonconforming use beyond the scope and area of its operation at the time the regulation which makes its use nonconforming was adopted, nor shall the board permit a change from one nonconforming use to another unless the new nonconforming use is in the same or a more restrictive classification, provided, however, the board of adjustment may grant approval, effective to maintain nonconforming-use status, for enlargements or extensions, made or to be made, of the facilities of a nonconforming use, where the use consists of the presenting of a major public attraction or attractions, such as a sports event or events, which has been presented at the same site over such period of years and has such attributes and public acceptance as to have attained international prestige and to have achieved the status of a public tradition, contributing substantially to the economy of the community and state, of which prestige and status the site is an essential element, and where the enlargement or extension was or is designed to maintain the prestige and status by meeting the increasing demands of participants and patrons.

(3) Any use which has existed illegally and does not conform to the provisions of the zoning regulations, and has been in continuous existence for a period of ten (10) years, and which has not been the subject of any adverse order or other adverse action by the administrative official during said period, shall be deemed a nonconforming use. Thereafter, such use shall be governed by the provisions of subsection (2) of this section.

(4) The provisions of subsection (3) of this section shall not apply to counties containing a city of the first class, a city of the second class, ***a consolidated local government,*** or ***an*** urban-county government.

Section 150. KRS 100.277 is amended to read as follows:

(1) All subdivision of land shall receive commission approval.

(2) No person or his agent shall subdivide any land, before securing the approval of the planning commission of a plat designating the areas to be subdivided, and no plat of a subdivision of land within the planning unit jurisdiction shall be recorded by the county clerk until the plat has been approved by the commission and the approval entered thereon in writing by the chairman, secretary, or other duly authorized officer of the commission.

(3) No person owning land composing a subdivision, or his agent, shall transfer or sell any lot or parcel of land located within a subdivision by reference to, or by exhibition, or by any other use of a plat of such subdivision, before such plat has received final approval of the planning commission and has been recorded. Any such instrument of transfer or sale shall be void and shall not be subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission, but all rights of such purchaser to damages are hereby preserved. The description of such lot or parcel by metes and bounds in any instrument of transfer or other document used in the process of selling or transferring same shall not exempt the person attempting to transfer from penalties provided or deprive the purchaser of any rights or remedies he may otherwise have. Provided, however, any person, or his agent, may agree to sell any lot or parcel of land located within a subdivision by reference to an unapproved or unrecorded plat or by reference to a metes and bounds description of such lot and any such executory contract of sale or option to purchase may be recorded and shall be valid and enforceable so long as the subdivision of land contemplated therein is lawful and the subdivision plat subsequently receives final approval of the planning commission.

(4) Any street or other public ground which has been dedicated shall be accepted for maintenance by the legislative body after it has received final plat approval by the planning commission. Any street that has been built in accordance with specific standards set forth in subdivision regulations or by ordinance shall be, by operation of law, automatically accepted for maintenance by a legislative body forty-five (45) days after inspection and final approval.

(5) Any instrument of transfer, sale or contract that would otherwise have been void under this section and under any of its subsections previously, is deemed not to have been void, but merely not subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission. This subsection shall not apply to instruments of transactions affecting property in counties containing cities of the first class***, in consolidated local governments created pursuant to KRS Chapter 67C,*** or in urban-counties created pursuant to KRS Chapter 67A.

Section 151. KRS 100.324 is amended to read as follows:

(1) All other provisions of this chapter to the contrary notwithstanding, public utilities operating under the jurisdiction of the Public Service Commission, except as specified in KRS 100.987 and subsection (5) of this section, or the Department of Vehicle Regulation or Federal Power Commission, any municipally-owned electric system, and common carriers by rail shall not be required to receive the approval of the planning unit for the location or relocation of any of their service facilities. Service facilities include all facilities of such utilities and common carriers by rail other than office space, garage space, and warehouse space and include office space, garage space, and warehouse space when such space is incidental to a service facility. The Public Service Commission and the Department of Vehicle Regulation shall give notice to the planning commission of any planning unit of any hearing which affects locations or relocations of service facilities within that planning unit's jurisdiction.

(2) The nonservice facilities excluded in subsection (1) of this section must be in accordance with the zoning regulations.

(3) Upon the request of the planning commission, the public utilities referred to in this section shall provide the planning commission of the planning unit affected with information concerning service facilities which have been located on and relocated on private property.

(4) Any proposal for acquisition or disposition of land for public facilities, or changes in the character, location, or extent of structures or land for public facilities, excluding state and federal highways and public utilities and common carriers by rail mentioned in this section, shall be referred to the commission to be reviewed in light of its agreement with the comprehensive plan, and the commission shall, within sixty (60) days from the date of its receipt, review the project and advise the referring body whether the project is in accordance with the comprehensive plan. If it disapproves of the project, it shall state the reasons for disapproval in writing and make suggestions for changes which will, in its opinion, better accomplish the objectives of the comprehensive plan. No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.

(5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class ***or a consolidated local government*** shall

submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally-adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally-adopted zoning regulations. If the planning commission fails to issue a final decision within sixty (60) days, it is presumed to have approved the proposal, and may not later appeal a decision of the Public Service Commission under KRS 278.650(3). If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally-adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its final decision on the utility proposal, whichever occurs first.

Section 152. KRS 100.331 is amended to read as follows:

Except in counties containing a consolidated local government, fiscal courts are granted all the legislative powers granted to all cities for purposes of adopting regulations and legislation proposed under this chapter.

Section 153. KRS 100.347 is amended to read as follows:

(1) Any person or entity claiming to be injured or aggrieved by any final action of the board of adjustment shall appeal from the action to the Circuit Court of the county in which the property, which is the subject of the action of the board of adjustment, lies. Such appeal shall be taken within thirty (30) days after the final action of the board. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. The board of adjustment shall be a party in any such appeal filed in the Circuit Court.

(2) Any person or entity claiming to be injured or aggrieved by any final action of the planning commission shall appeal from the final action to the Circuit Court of the county in which the property, which is the subject of the commission's action, lies. Such appeal shall be taken within thirty (30) days after such action. Such action shall not include the commission's recommendations made to other governmental bodies. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. Provided, however, any appeal of a planning commission action granting or denying a variance or conditional use permit authorized by KRS 100.203(5) shall be taken pursuant to this subsection. In such case, the thirty (30) day period for taking an appeal begins to run at the time the legislative body grants or denies the map amendment for the same development. The planning commission shall be a party in any such appeal filed in the Circuit Court.

(3) Any person or entity claiming to be injured or aggrieved by any final action of the legislative body of any city, county***,*** ***consolidated local government,*** or urban-county government, relating to a map amendment shall appeal from the action to the Circuit Court of the county in which the property, which is the subject of the map amendment, lies. Such appeal shall be taken within thirty (30) days after the final action of the legislative body. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. The legislative body shall be a party in any such appeal filed in the Circuit Court.

(4) The owner of the subject property and applicants who initiated the proceeding shall be made parties to the appeal. Other persons speaking at the public hearing are not required to be made parties to such appeal.

(5) For purposes of this chapter, final action shall be deemed to have occurred on the calendar date when the vote is taken to approve or disapprove the matter pending before the body.

Section 154. KRS 100.401 is amended to read as follows:

It is the intent of KRS 100.401 to 100.419 to strengthen the enforcement of binding elements which have been approved as part of a land use development plan in a county containing a city of the first class ***or consolidated local government***. This is intended to be done by extending to a planning commission in counties containing a city of the first class ***or consolidated local government*** the authority to issue remedial orders and impose civil fines in order to provide an equitable, expeditious, effective, and inexpensive method of ensuring compliance with approved land use plans as they apply to binding element agreements. KRS 100.401 to 100.419 is intended and shall be construed to provide an additional or supplemental means of obtaining compliance with local zoning ordinances and nothing contained in KRS 100.401 to 100.419 shall prohibit the enforcement of local zoning ordinances by any other means authorized by law.

Section 155. KRS 100.403 is amended to read as follows:

As used in KRS 100.401 to 100.419, unless the context otherwise requires:

(1) "Land use enforcement officer" in a county containing a city of the first class ***or consolidated local government*** means ***an***[~~a zoning enforcement~~] officer ***authorized***[~~employed~~] by a planning commission ***to enforce binding elements***.

(2) "Land use ordinance" in a county containing a city of the first class ***or consolidated local government*** means an official action of a local government body which is a regulation of a general and permanent nature relating to the use and development of land within the jurisdictional boundary of the planning commission. It is enforceable as a local law and shall include any provision of a code of ordinances adopted by a local government which embodies all or part of an ordinance.

(3) "Local government" means a county containing a city of the first class ***or consolidated local government*** and all cities of the first through fourth classes within ***the***~~[that]~~ county.

(4) "Binding element" in a county containing a city of the first class ***or consolidated local government*** means a binding requirement, provision, restriction, or condition imposed by a planning commission or its designee, or a promise or agreement made by an applicant in writing in connection with the approval of a land use development plan or subdivision plan.

Section 156. KRS 100.405 is amended to read as follows:

(1) The planning commission in counties containing a city of the first class ***or a consolidated local government*** may issue remedial orders and impose civil fines as a method of enforcing a binding element when a violation of that binding element has been classified as a civil offense in accordance with this section.

(2) Subject to the limitations set forth in subsections (1) and (3) of this section, if a local government elects to enforce a binding element as a civil offense, it shall do so by ordinance, which shall provide:

(a) That a violation of the binding element is a civil offense; and

(b) A maximum civil fine that may be imposed for each violation of a binding element.

(3) No local government shall classify the violation of a binding element as a civil offense if the violation would also constitute an offense under any provision of the Kentucky Revised Statutes, including specifically, and without limitation, any provision of the Kentucky Penal Code and any moving motor vehicle offense.

Section 157. KRS 100.985 is amended to read as follows:

In addition to the definitions set forth in KRS 100.111, the following definitions shall apply to KRS 100.985 to 100.987:

(1) "Cellular antenna tower" means a tower constructed for, or an existing facility that has been adapted for, the location of transmission or related equipment to be used in the provision of cellular telecommunications services or personal communications services;

(2) "Cellular telecommunications service" means a retail telecommunications service that uses radio signals transmitted through cell sites and mobile switching stations;

(3) "Co-location" means locating two (2) or more transmission antennas or related equipment on the same cellular antenna tower;

(4) "Personal communication service" has the meaning as defined in 47 U.S.C. sec. 332(c);

(5) "Uniform application" means an application for a certificate of convenience and necessity issued under KRS 278.020 submitted by a utility to the Public Service Commission to construct an antenna tower for cellular telecommunications services of personal communications service in a jurisdiction, that has adopted planning and zoning regulations in accordance with this chapter, except for any county that contains a city of the first class ***or a consolidated local government***; and

(6) "Utility" has the meaning as defined in KRS 278.010(3).

Section 158. KRS 100.987 is amended to read as follows:

(1) A planning unit as defined in KRS 100.111 and legislative body or fiscal court that has adopted planning and zoning regulations, except for a county that contains a city of the first class ***or a consolidated local government*** as provided under KRS 278.650, may plan for and regulate the siting of cellular antenna towers in accordance with locally adopted planning or zoning regulations in this chapter by officially registering with the Public Service Commission. The registration shall be in the form of an official resolution adopted by the local planning commission. Nothing in this section shall require a planning unit and legislative body or fiscal court to plan for and regulate the siting of cellular antenna towers.

(2) Every utility or a company that is engaged in the business of providing the required infrastructure to a utility that proposes to construct an antenna tower for cellular telecommunications services or personal communications services within the jurisdiction of a planning unit that has adopted planning and zoning regulations in accordance with this chapter, except for a county that contains a city of the first class ***or a consolidated local government*** as provided under KRS 278.650, and that has officially registered with the Public Service Commission shall:

(a) Submit a copy of the utility's completed uniform application to the planning commission of the affected planning unit to construct an antenna tower for cellular or personal telecommunications services within five (5) days of applying to the Public Service Commission for a certificate of necessity and convenience as required by KRS 278.020(1). The uniform application shall include a grid map that shows the location of all existing cellular antenna towers and that indicates the general position of proposed construction sites for new cellular antenna towers within an area that includes:

1. All of the planning unit's jurisdiction; and

2. A one-half (1/2) mile area outside of the boundaries of the planning unit's jurisdiction, if that area contains either existing or proposed construction sites for cellular antenna towers;

(b) Include in any contract with an owner of property upon which a cellular antenna tower is to be constructed, a provision that specifies, in the case of abandonment, a method that the utility will follow in dismantling and removing a cellular antenna tower including a timetable for removal; and

(c) Comply with any local ordinances concerning land use, subject to the limitations imposed by 47 U.S.C. sec. 332(c), KRS 278.030, 278.040, and 278.280.

(3) Commencing from the time that a utility files a uniform application with the Public Service Commission, all information contained in the uniform application and any updates, except for information that specifically identifies the proposed location of the cellular antenna tower then being reviewed by the applying utility, shall be deemed confidential and proprietary within the meaning of KRS 61.878. The Public Service Commission and the local planning commission shall deny any public request for the inspection of this information, whether submitted under Kentucky's Open Records Act or otherwise, except when ordered to release the information by a court of competent jurisdiction. Any person violating this subsection shall be guilty of official misconduct in the second degree as provided under KRS 522.030.

(4) After receiving the uniform application to construct a cellular antenna tower, the planning commission shall:

(a) Review the uniform application in light of its agreement with the comprehensive plan and locally adopted zoning regulations;

(b) Make its final decision to approve or disapprove the uniform application; and

(c) Advise the utility and the Public Service Commission in writing of its final decision within sixty (60) days commencing from the date that the uniform application is received by the planning commission or within a date certain specified in a written agreement between the local planning commission and the utility. If the planning commission fails to issue a final decision within sixty (60) days and if there is no written agreement between the local planning commission and the utility to a specific date for the planning commission to issue a decision, it is presumed that the local planning commission has approved the utility's uniform application.

(5) (a) If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the planning commission approves the uniform application or the sixty (60) day time period has expired, whichever occurs first. If a planning commission rejects the uniform application to construct an antenna tower, the Public Service Commission may override the decision of the planning commission and issue a certificate of convenience and necessity for construction of the cellular or personal communications services antenna tower, if it determines that there is no acceptable alternate site and that the public convenience and necessity requires the proposed construction.

(b) Any party, other than the applying utility, that is aggrieved by the final action of a planning commission under this section, may intervene in the action to the Public Service Commission, but this appeal shall not automatically postpone action by the Public Service Commission.

(6) The planning commission may require the utility to make a reasonable attempt to co-locate additional transmitting or related equipment on any new or existing towers, if there is available space on the tower and the co-location does not interfere with the structural integrity of the tower and does not require the owner of the tower to make substantial alterations to the tower. A planning commission may provide the location of existing cellular antenna towers on which the commission deems the applying utility can successfully co-locate its transmitting and related equipment. If the local planning commission requires the utility to attempt co-location, the utility shall provide the local planning unit with a statement indicating that the utility has:

(a) Successfully attempted to co-locate on towers designed to host multiple wireless service providers' facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities, and that identifies the location of the tower which the applying utility will co-locate its transmission and related facilities on; or

(b) Unsuccessfully attempted to co-locate on towers designed to host multiple wireless service provider's facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities and that:

1. Identifies the location of the towers which the applying utility attempted to co-locate on; and

2. Lists the reasons why the co-location was unsuccessful in each instance.

(7) The local planning commission may deny a uniform application to construct a cellular antenna tower based on a utility's unwillingness to attempt to co-locate additional transmitting or related equipment on any new or existing towers.

(8) In the event of co-location, a utility shall be considered the primary user of the tower, if the utility is the owner of the antenna tower and if no other agreement exists that prescribes an alternate arrangement between the parties for use of the tower. Any other entity that co-locates transmission or related facilities on a cellular antenna tower shall do so in a manner that does not impose additional costs or operating restrictions on the primary user.

Section 159. KRS 108.060 is amended to read as follows:

A civil service system for employees of the district may be established by the council in accordance with the plan outlined for cities of the first class ***or a consolidated local government*** under KRS 90.110 to 90.230.

Section 160. KRS 132.012 is amended to read as follows:

As used in this section and in KRS 91.285, unless the context otherwise requires:

(1) "Abandoned urban property" means any vacant structure or vacant or unimproved lot or parcel of ground in a predominantly developed urban area which has been vacant or unimproved for a period of at least one (1) year and which:

(a) Because it is dilapidated, unsanitary, unsafe, vermin infested, or otherwise dangerous to the safety of persons, it is unfit for its intended use; or

(b) By reason of neglect or lack of maintenance has become a place for the accumulation of trash and debris, or has become infested with rodents or other vermin; or

(c) Has been tax delinquent for a period of at least three (3) years.

(2) For purposes of local taxation in cities of the first class ***or consolidated local governments***, there shall be a classification of real property known as abandoned urban property. The legislative body of a city of the first class ***or consolidated local government*** may levy a rate of taxation on abandoned urban property higher than the prevailing rate of taxation on other real property in the city ***or consolidated local government***. The limitation upon tax rates established by KRS 132.027 shall not apply to the rate of taxation on abandoned urban property.

Section 161. KRS 132.015 is amended to read as follows:

The property valuation administrator shall maintain lists of all real property additions and real property deletions to the property tax rolls for the county***, consolidated local government,*** or urban-county, and each city, school district, and special district in the county***, consolidated local government,*** or urban-county, and shall certify such lists to the Revenue Cabinet, the city clerk of each city in the county which elects to use the annual county assessment as provided for in KRS 132.285, the treasurer or chief officer of each special district in the county, and the chief administrative officer of the urban-county ***and the consolidated local government*** at the time he files his recapitulation of property assessed on the tax roll with the Revenue Cabinet.

Section 162. KRS 132.017 is amended to read as follows:

(1) (a) That portion of a tax rate levied by an ordinance, order, resolution, or motion of a county fiscal court, district board of education or legislative body of a city, urban-county government***, consolidated local government,*** or other taxing district subject to recall as provided for in KRS 68.245, 132.023, 132.027 and 160.470, shall go into effect forty-five (45) days after its passage. If during the forty-five (45) days next following the passage of the order, resolution, or motion, a petition signed by a number of registered and qualified voters equal to ten percent (10%) of the voters voting in the last presidential election is presented to the county clerk or his authorized deputy protesting against passage of the ordinance, order, resolution, or motion, the ordinance, order, resolution, or motion shall be suspended from going into effect until after the election referred to in subsection (2) of this section. When the petition is presented to the county clerk or his authorized deputy, the officer shall immediately notify the presiding officer of the appropriate fiscal court, district board of education,[~~ or~~] legislative body of a city***, consolidated local government,***[~~ or~~] urban-county government, or other taxing district, as the case may be. Each sheet of the petition shall contain the names, residence addresses, and Social Security numbers or dates of birth of voters in but one (1) voting precinct, and each sheet shall state the name, number, or designation of the precinct and, where applicable, the name, designation, or number of the district or ward wherein the precinct is situated. The county clerk shall make the conclusive determination of whether the petition contains enough signatures of qualified voters to suspend the effect of the order or resolution.

(b) The county fiscal court, district board of education, or legislative body of a city, urban-county government, ***consolidated local government,*** or other taxing district may cause the cancellation of the election by reconsidering the ordinance, order, resolution, or motion and amending the ordinance, order, resolution, or motion to levy a tax rate which will produce no more revenue from real property, exclusive of revenue from new property as defined in KRS 132.010, than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010 from real property. The action by the county fiscal court, district board of education, legislative body of a city, urban-county government, ***consolidated local government,*** or other taxing district shall be valid only if taken within fifteen (15) days following the date of the presentation of the petition.

The question shall be submitted to the county clerk not later than the second Tuesday in August preceding the regular election. The question shall be so framed that the voter may by his vote answer "for" or "against." If a majority of the votes cast upon the question oppose its passage, the order, resolution, or motion shall not go into effect. If a majority of the votes cast upon the question favor its passage, the order, resolution, or motion shall go into effect.

(b) If an election is necessary for a school district under the provisions of subsection (1) of this section, the district board of education may cause to be submitted to the voters of the district in a called common school election not less than twenty (20) days nor more than thirty (30) days from the date the signatures on the petition are validated by the county clerk, or at the next regular election, at the option of the district board of education, the question as to whether the property tax rate shall be levied. If the election is held in conjunction with a regular election, the question shall be submitted to the county clerk not later than the second Tuesday in August preceding the regular election. The question shall be so framed that the voter may by his vote answer "for" or "against." If a majority of the votes cast upon the question oppose its passage, the order, resolution, or motion shall not go into effect, and the property tax rate which will produce four percent (4%) more revenues from real property, exclusive of revenue from new property as defined in KRS 132.010, than the amount of revenue produced by the compensating tax rate defined in KRS 132.010, shall be levied without further approval by the county fiscal court, district board of education, or legislative body of a city, ***consolidated local government,*** urban-county government, or other taxing district, as the case may be. If a majority of the votes cast upon the question favor its passage, the order, resolution, or motion shall go into effect. (4) If a second billing is necessary, the collection period shall be extended to conform with the second billing date.

(5) All costs associated with the second billing shall be paid by the taxing district or districts requiring the second billing.

(2) If the tax rate applicable to real property levied by a county fiscal court, district board of education, or legislative body of a city, ***consolidated local government,*** urban-county government, or other taxing district is reduced, under the provisions of KRS 132.017(2)(b), as a result of a majority of votes cast in an election being opposed to such a rate, the tax rate applicable to personal property levied by the respective county fiscal court, district board of education, or legislative body of a city, ***consolidated local government,*** urban-county government, or other taxing district shall be reduced, without further action by the levying body, to an amount which will produce the same percentage increase in revenue from personal property as the percentage increase in revenue from real property resulting from the reduced tax rate applicable to real property.

The compensation of the property valuation administrator shall be calculated by the Revenue Cabinet annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the cabinet shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the cabinet increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the Revenue Cabinet the total number of years, not to exceed four (4) years, that the person has previously served in the office. The cabinet shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the Kentucky Revenue Cabinet. Each unit shall be available to property valuation administrators in each office based on continuing service in that office.

(4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.

(5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The Revenue Cabinet may make grade classification changes corresponding to any approved for cabinet employees in comparable positions, so long as the changes do not violate the integrity of the classification system. The Revenue Cabinet shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.

(8) Each property valuation administrator may appoint any persons approved by the Revenue Cabinet to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. These funds shall be expended by the Revenue Cabinet only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(1) The word "city" shall mean any city of the first class ***or consolidated local government*** for which a bridge commission shall be appointed under the provisions of KRS 181.850;

(2) The word "commission" shall mean any bridge commission created under the provisions of KRS 181.850, or, if any such commission shall be abolished, the board, body, or commission succeeding to the principal functions thereof or to whom the powers given by KRS 181.850 to 181.869 to the commission shall be given by law;

(3) The word "bridge" shall include the substructure and superstructure, overpasses, underpasses, entrance plazas, tollhouses, administration, storage, and other buildings and facilities, all equipment therefor, and such approaches and approach highways as may be determined by the commission to be necessary to facilitate the flow of traffic or to connect such bridge with the highway systems or other traffic facilities in the vicinity of such bridge, together with all property, rights, easements, and interests which may be acquired by the commission for the construction or operation of such bridge;

(4) The word "cost" as applied to a bridge shall embrace the cost of construction, the cost of the acquisition of all land, rights-of-way, property, rights, easements, and interests acquired by the commission for such construction, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved, the cost of all machinery and equipment, financing charges, interest prior to and during construction, and, if deemed advisable by the commission, for a period not exceeding one (1) year after completion of construction, cost of traffic estimates and of engineering, financial and legal services, plans, specifications, surveys, estimates of cost and of revenues, other expenses necessary or incident to determining the feasibility or practicability of constructing any such bridge, administrative expenses, and such other expenses as may be necessary or incident to the construction of the bridge, the financing of such construction, and the placing of the bridge in operation. Any obligation or expense incurred by the city in connection with any of the foregoing items of cost may be regarded as a part of such cost and reimbursed to the city out of the proceeds of revenue bonds issued under the provisions of KRS 181.850 to 181.869.

Section 196. KRS 181.853 is amended to read as follows:

(1) The commission is hereby authorized and empowered to acquire by purchase, whenever it shall deem such purchase expedient, solely from funds provided under the authority of KRS 181.850 to 181.869, within or without the Commonwealth, such lands, structures, property, rights, rights of way, franchises, easements and other interests in lands, including lands lying under water and riparian rights, as it may deem necessary or convenient for the construction or operation of any bridge, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof, and to take title thereto in the name of the city for the use and benefit of the commission.

(2) Whenever a reasonable price cannot be agreed upon, or whenever the owner is legally incapacitated or is absent, unknown or unable to convey valid title, the commission is hereby authorized and empowered to acquire by condemnation or by the exercise of the power of eminent domain any lands, property, rights, rights of way, franchises, easements and other property, including public lands, parks, playgrounds, reservations, highways, or parkways or parts thereof or rights therein, of any person, co-partnership, association, railroad, public service, public utility or other corporation, or municipality or political subdivision deemed necessary or convenient for the construction or the efficient operation of any bridge or necessary in the restoration of public or private property damaged or destroyed. Any such proceedings shall be conducted in the name of the commission, and the compensation to be paid shall be ascertained and paid, in the manner provided by the constitution and laws of the Commonwealth then applicable which relate to condemnation or to the exercise of the power of eminent domain by cities~~[of the first class]~~. Title to any property acquired by the commission shall be taken in the name of the city for the use and benefit of the commission. In any condemnation proceedings the court having jurisdiction of the suit, action or proceeding may make such orders as may be just to the commission and to the owners of the property to be condemned and may require an undertaking or other security to secure such owners against any loss or damage by reason of the failure of the commission to accept and pay for the property, but neither such undertaking or security nor any act or obligation of the commission shall impose any liability upon the city or commission except as may be paid from the funds provided under the authority of KRS 181.850 to 181.869.

(3) If the owner, lessee or occupier of any property to be condemned shall refuse to remove his ***or her*** personal property therefrom or give up possession thereof, the commission may proceed to obtain possession in any manner now or hereafter provided by law.

(4) With respect to any railroad property or right of way upon which railroad tracks are located, any powers of condemnation or of eminent domain may be exercised to acquire only an easement interest therein which shall be located either sufficiently far above or sufficiently far below the grade of any railroad track or tracks upon such railroad property so that neither the proposed bridge nor any part thereof, including abutments, columns, supporting structures and appurtenances, nor any traffic upon it shall interfere in any manner with the use, operation or maintenance of the trains, tracks, works or appurtenances or other property of the railroad nor endanger the movement of the trains or traffic upon the tracks of the railroad. Prior to the institution of condemnation proceedings for such easement over or under such railroad property or rights of way, plans and specifications of the proposed bridge showing compliance with the above-mentioned above or below grade requirements and showing sufficient and safe plans and specifications of such overhead or undergrade structure and appurtenances shall be submitted to the railroad for examination and approval. If the railroad fails or refuses within thirty (30) days to approve the plans and specifications so submitted, the matter shall be submitted to the department of works of the city whose decision, arrived at after due consideration and with an opportunity to the railroad to be heard, shall be final as to the sufficiency and safety of such plans and specifications and as to such elevations or distances above or below the tracks. Said overhead or undergrade structure and appurtenances shall be constructed only in accordance with such plans and specifications and in accordance with such elevations or distances above or below the tracks so approved by the railroad or the department of works of said city as the case may be. A copy of the plans and specifications approved by the railroad or the department of works of said city shall be filed as an exhibit with the petition for condemnation.

(a) When an advertisement is of a completed act, such as an ordinance, resolution, regulation, order, rule, report, statement, or certificate and the purpose of the publication is not to inform the public or the members of any class of persons that they may or shall do an act or exercise a right within a designated period or upon or by a designated date, the advertisement shall be published one (1) time only and within thirty (30) days after completion of the act. However, a failure to comply with this paragraph shall not subject a person to any of the penalties provided by KRS 424.990 unless such failure continues for a period of ten (10) days after notice to comply has been given him by registered letter.

(6) The officer shall, except in a city electing to publish its audit in lieu of the financial statement in accordance with KRS 91A.040(6), within sixty (60) days after the close of the fiscal year cause the financial statement to be published in full in a newspaper qualified under KRS 424.120 to publish advertisements for the city, county, or district, as the case may be. Promptly after the publication is made, the officer shall file a written or printed copy of the advertisement with proof of publication, in the office of the county clerk of the county and with the Auditor of Public Accounts. Section 234. KRS 439.315 is amended to read as follows:

(1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.

(2) The fees shall be as follows:

(a) For a felony, not less than ten dollars ($10) per month while on active supervision nor more than two thousand five hundred dollars ($2,500) per year.

(b) For a misdemeanor, not less than ten dollars ($10) per month while on active supervision nor more than five hundred dollars ($500) per year, except as provided in subsection (13) of this section.

(3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.

(4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.

(5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanant probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.

(6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

(a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.

(b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.

(7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

(11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.

(12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.

(13) In a city, county, ***consolidated local government,*** charter county, or an urban-county government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanant probation and work release program of the county, city, ***consolidated local government,*** charter county, or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanant defendant placed under the supervision of an adult misdemeanant probation and work release program of a county, city, ***consolidated local government,*** charter county, or an urban-county government shall be not less than one hundred dollars ($100) nor more than five hundred dollars ($500) per year. All sums paid by the defendant under this subsection shall be paid into the general fund of the county, city, ***consolidated local government,*** charter county, or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county or urban-county involved. The adult misdemeanant probation and work release program of the county, ***consolidated local government,*** city, charter county, or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk, and report delinquencies to the court.

If specific data limitations or documented unique characteristics of the project prevent use of the "International Performance Measurement and Verification Protocol," an alternative method that is compatible shall be adopted upon documentation and approval of the secretary of the Finance and Administration Cabinet.

This partial fee determination shall be made at each stage of the proceedings.

(3) No attorney participating in any public advocacy plan shall be compensated for his services until he has perfected an appeal for a client who requests an appeal and has filed the information required in subsection (2) of this section.

(4) Any public advocacy attorney who is representing a client on appeal who after a conscientious examination of said appeal believes the appeal to be wholly frivolous after careful examinations of the record may request the court to which the appeal has been taken for permission to withdraw from the case. The attorney must file with that request a brief which sets forth any arguments which might possibly be raised on appeal. A copy of the request for permission to withdraw and the brief must be served upon the client in sufficient time so that the client may raise any argument he chooses to raise.

(1) No fee shall be paid in excess of the prevailing maximum fee per attorney paid by the Department of Public Advocacy for the type of representation provided, and no hourly rate shall be paid in excess of the prevailing hourly rate paid by the Department of Public Advocacy for the type of representation provided; and

(2) Each fee plus expenses incurred in the defense shall be presented by the defense attorney to the Circuit Judge who shall review the fee and expenses request and shall approve, deny, or modify the amount of compensation and fee listed therein. After final approval of the fee and expenses the Circuit Judge shall, if state compensation is desired, certify the amount and transmit the document to the public advocate who shall review the fee and expense request and shall approve, deny, or modify the request. The request as approved or modified shall then be paid. Requests for payment of assigned counsel by the state shall be denied if the district has exceeded the amount of funds which may be allotted to it, if the district plan has not been approved, or if the public advocate finds that compensation is otherwise not warranted. The decision of the public advocate in all matters of fee and expense compensation shall be final.

Section 19. KRS 31.230 is repealed and reenacted as a new section of KRS Chapter 31, to be numbered as KRS 31.241, to read as follows:

HB 593, AN ACT relating to high school athletics.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 156.070 is amended to read as follows:

(1) The Kentucky Board of Education shall have the management and control of the common schools and all programs operated in these schools, including interscholastic athletics, the Kentucky School for the Deaf, the Kentucky School for the Blind, and community education programs and services.

(2) The Kentucky Board of Education may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations, and bylaws of any organization or agency so designated shall be approved by the board, and provided further that any administrative hearing conducted by the designated managing organization or agency shall be conducted in accordance with KRS Chapter 13B.

(a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which National Collegiate Athletic Association members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.

(b) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws which prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity soccer and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity soccer and football for students who have not successfully completed the eighth grade.

(c) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.

(d) If the state board or any agency designated by the state board to manage interscholastic athletics promulgates administrative regulations that permit a school district to employ or assign nonteaching personnel to serve in a coaching position, those administrative regulations shall apply to all sports and sports activities, including basketball and football. The administrative regulations shall give preference to the hiring or assignment of certified personnel over nonteaching personnel in coaching positions.

(e) The agency designated to manage interscholastic athletics shall not schedule the semifinals and the finals of any state high school basketball tournament on the same day.

(3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

(c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs,

outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 189A.010 is amended to read as follows:

(1) A person shall not operate or be in physical control of a motor vehicle anywhere in this state:

(a) Having an alcohol concentration of 0.08 or more as measured by a scientifically reliable test or tests of a sample of the person's breath or blood taken within two (2) hours of cessation of operation or physical control of a motor vehicle;

(b) While under the influence of alcohol;

(c) While under the influence of any other substance or combination of substances which impairs one's driving ability;

(d) While under the combined influence of alcohol and any other substance which impairs one's driving ability; or

(e) Having an alcohol concentration of 0.02 or more as measured by a scientifically reliable test or tests of a sample of the person's breath or blood taken within two (2) hours of cessation of operation or physical control of a motor vehicle, if the person is under the age of twenty-one (21).

(2) With the exception of the results of the tests administered pursuant to KRS 189A.103(7), if the sample of the person's blood or breath that is used to determine the alcohol concentration thereof was obtained more than two (2) hours after cessation of operation or physical control of a motor vehicle, the results of the test or tests shall be inadmissible as evidence in a prosecution under subsection (1)(a) or (e) of this section. The results of the test or tests, however, may be admissible in a prosecution under subsection (1)(b) or (d) of this section.

(3) In any prosecution for a violation of subsection (1)(b) or (d) of this section in which the defendant is charged with having operated or been in physical control of a motor vehicle while under the influence of alcohol, the alcohol concentration in the defendant's blood as determined at the time of making analysis of his blood or breath shall give rise to the following presumptions:

(a) If there was an alcohol concentration of less than 0.05 based upon the definition of alcohol concentration in KRS 189A.005, it shall be presumed that the defendant was not under the influence of alcohol; and

(b) If there was an alcohol concentration of 0.05 or greater but less than 0.08 based upon the definition of alcohol concentration in KRS 189A.005, that fact shall not constitute a presumption that the defendant either was or was not under the influence of alcohol, but that fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant.

The provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the questions of whether the defendant was under the influence of alcohol or other substances, in any prosecution for a violation of subsection (1)(b) or (d) of this section.

(4) The fact that any person charged with violation of subsection (1) of this section is legally entitled to use any substance, including alcohol, shall not constitute a defense against any charge of violation of subsection (1) of this section.

(5) Any person who violates the provisions of paragraph (a), (b), (c), or (d) of subsection (1) of this section shall:

(a) For the first offense within a five (5) year period, be fined not less than two hundred dollars ($200) nor more than five hundred dollars ($500), or be imprisoned in the county jail for not less than forty-eight (48) hours nor more than thirty (30) days, or both. Following sentencing, the defendant may apply to the judge for permission to enter a community labor program for not less than forty-eight (48) hours nor more than thirty (30) days in lieu of fine or imprisonment, or both. If any of the aggravating circumstances listed in subsection (11) of this section are present[~~ while the person was operating or in physical control of a motor vehicle~~], the mandatory minimum term of imprisonment shall be four (4) days, which term shall not be suspended, probated, conditionally discharged, or subject to any other form of early release.

(b) For the second offense within a five (5) year period, be fined not less than three hundred fifty dollars ($350) nor more than five hundred dollars ($500) and shall be imprisoned in the county jail for not less than seven (7) days nor more than six (6) months and, in addition to fine and imprisonment, may be sentenced to community labor for not less than ten (10) days nor more than six (6) months. If any of the aggravating circumstances listed in subsection (11) of this section are present, the mandatory minimum term of imprisonment shall be fourteen (14) days, which term shall not be suspended, probated, conditionally discharged, or subject to any other form of early release.

(c) For a third offense within a five (5) year period, be fined not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000) and shall be imprisoned in the county jail for not less than thirty (30) days nor more than twelve (12) months and may, in addition to fine and imprisonment, be sentenced to community labor for not less than ten (10) days nor more than twelve (12) months. If any of the aggravating circumstances listed in subsection (11) of this section are present, the mandatory minimum term of imprisonment shall be sixty (60) days, which term shall not be suspended, probated, conditionally discharged, or subject to any other form of early release.

(d) For a fourth or subsequent offense within a five (5) year period, be guilty of a Class D felony. If any of the aggravating circumstances listed in subsection (11) of this section are present, the mandatory minimum term of imprisonment shall be two hundred forty (240) days, which term shall not be suspended, probated, conditionally discharged, or subject to any other form of release.

(e) For purposes of this subsection, prior offenses shall include all convictions in this state, and any other state or jurisdiction, for operating or being in control of a motor vehicle while under the influence of alcohol or other substances that impair one's driving ability, or any combination of alcohol and such substances, or while having an unlawful alcohol concentration, or driving while intoxicated, but shall not include convictions for violating subsection (1)(e) of this section. A court shall receive as proof of a prior conviction a copy of that conviction, certified by the court ordering the conviction.

(6) Any person who violates the provisions of subsection (1)(e) of this section shall have his driving privilege or operator's license suspended by the court for a period of no less than thirty (30) days but no longer than six (6) months, and the person shall be fined no less than one hundred dollars ($100) and no more than five hundred dollars ($500), or sentenced to twenty (20) hours of community service in lieu of a fine. A person subject to the penalties of this subsection shall not be subject to the penalties established in subsection (5) of this section or any other penalty established pursuant to KRS Chapter 189A, except those established in KRS 189A.040(1).

(7) If the person is under the age of twenty-one (21) and there was an alcohol concentration of 0.08 or greater based on the definition of alcohol concentration in KRS 189A.005, the person shall be subject to the penalties established pursuant to subsection (5) of this section.

(8) For a second or third offense within a five (5) year period, the minimum sentence of imprisonment or community labor shall not be suspended, probated, or subject to conditional discharge or other form of early release. For a fourth or subsequent offense under this section, the minimum term of imprisonment shall be one hundred twenty (120) days, and this term shall not be suspended, probated, or subject to conditional discharge or other form of early release. For a second or subsequent offense, at least forty-eight (48) hours of the mandatory sentence shall be served consecutively.

(9) When sentencing persons under subsection (5)(a) of this section, at least one (1) of the penalties shall be assessed and that penalty shall not be suspended, probated, or subject to conditional discharge or other form of early release.

(10) In determining the five (5) year period under this section, the period shall be measured from the dates on which the offenses occurred for which the judgments of conviction were entered.

(11) For purposes of this section, aggravating circumstances are any one (1) or more of the following:

(a) Operating a motor vehicle in excess of thirty (30) miles per hour above the speed limit;

(b) Operating a motor vehicle in the wrong direction on a limited access highway;

(c) Operating a motor vehicle that causes an accident resulting in death or serious physical injury as defined in KRS 500.080;

(d) Operating a motor vehicle while the alcohol concentration in the operator's blood or breath is 0.18 or more as measured by a test or tests of a sample of the operator's blood or breath taken within two (2) hours of cessation of operation of the motor vehicle;

(e) Refusing to submit to any test or tests of one's blood, breath, or urine requested by an officer having reasonable grounds to believe the person was operating or in physical control of a motor vehicle in violation of subsection (1) of this section; and

(f) Operating a motor vehicle that is transporting a passenger under the age of twelve (12) years old.

(12) Any person who violates the provisions of subsection (1) of this section shall be assessed twenty dollars ($20) in addition to the fines imposed by subsections (5) and (6) of this section. Funds collected pursuant to this subsection shall be deposited in the traumatic brain injury trust fund, created pursuant to KRS 211.476, within fourteen (14) days after the end of each quarter, to be used for the purposes set forth in KRS 211.470 to 211.478.

Section 2. KRS 189A.103 is amended to read as follows:

The following provisions shall apply to any person who operates or is in physical control of a motor vehicle or a vehicle that is not a motor vehicle in this Commonwealth:

(1) He has given his consent to one (1) or more tests of his blood, breath, and urine, or combination thereof, for the purpose of determining alcohol concentration or presence of a substance which may impair one's driving ability, if an officer has reasonable grounds to believe that a violation of KRS 189A.010(1) or 189.520(1) has occurred.

(2) Any person who is dead, unconscious, or otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section, and the test may be given.

(3) The breath, blood, and urine tests administered pursuant to this section shall be administered at the direction of a peace officer having reasonable grounds to believe the person has committed a violation of KRS 189A.010(1) or 189.520(1).

 (a) Tests of the person's breath, blood, or urine, to be valid pursuant to this section, shall have been performed according to the administrative regulations promulgated by the secretary of the Justice Cabinet, and shall have been performed, as to breath tests, only after a peace officer has had the person under personal observation~~[at the location of the test]~~ for a minimum of twenty (20) minutes.

 (b) All breath tests shall be administered by a peace officer holding a certificate as an operator of a breath analysis instrument, issued by the secretary of the Justice Cabinet or his designee.

(4) A breath test shall consist of a test which is performed in accordance with the manufacturer's instructions for the use of the instrument. The secretary of the Justice Cabinet shall keep available for public inspection copies of these manufacturer's instructions for all models of breath testing devices in use by the Commonwealth of Kentucky.

(5) When the preliminary breath test, breath test, or other evidence gives the peace officer reasonable grounds to believe there is impairment by a substance which is not subject to testing by a breath test, then blood or urine tests, or both, may be required in addition to a breath test, or in lieu of a breath test.

(6) Only a physician, registered nurse, phlebotomist, medical technician, or medical technologist not otherwise prohibited by law can withdraw any blood of any person submitting to a test under this section.

(7) After the person has submitted to all alcohol concentration tests and substance tests requested by the officer, the person tested shall be permitted to have a person listed in subsection (6) of this section of his own choosing administer a test or tests in addition to any tests administered at the direction of the peace officer. Tests conducted under this section shall be conducted within a reasonable length of time. Provided, however, the nonavailability of the person chosen to administer a test or tests in addition to those administered at the direction of the peace officer within a reasonable time shall not be grounds for rendering inadmissible as evidence the results of the test or tests administered at the direction of the peace officer.

Section 3. KRS 189A.105 is amended to read as follows:

(1) A person's refusal to submit to tests under KRS 189A.103 shall result in revocation of his driving privilege as provided in this chapter.

(2) (a) At the time a breath, blood, or urine test is requested, the person shall be informed:

  1. That, if the person refuses to submit to such tests, the ***person's privilege to drive shall be revoked for a period of six (6) months, or more, pursuant to this chapter***~~[fact of this refusal may be used against him in court as evidence of violating KRS 189A.010 and will result in revocation of his driver's license, and if the person refuses to submit to the tests and is subsequently convicted of violating KRS 189A.010(1) then he will be subject to a mandatory minimum jail sentence which is twice as long as the mandatory minimum jail sentence imposed if he submits to the tests, and that if the person refuses to submit to the tests he will be unable to obtain a hardship license]~~; and

  2. That, if a test is taken, ***and the results indicate that the person has an alcohol concentration of 0.08 or greater, or, if the person is under the influence of alcohol or a substance that impairs one's driving ability or a combination of alcohol and such substance, the person shall be subject to criminal penalties, including the possibility of incarceration, and the person's driving license shall be revoked for a period of at least thirty (30) days***~~[the results of the test may be used against him in court as evidence of violating KRS 189A.010(1), and that if the results of the test are 0.18 or above and the person is subsequently convicted of violating KRS 189A.010(1), then he will be subject to a sentence that is twice as long as the mandatory minimum jail sentence imposed if the results are less than 0.18]~~; and

  3. That if the person first submits to the requested alcohol and substance tests, the person has the right to have a test or tests of his blood performed by a person of his choosing described in KRS 189A.103 within a reasonable time of his arrest at the expense of the person arrested.

 (b) Nothing in this subsection shall be construed to prohibit a judge of a court of competent jurisdiction from issuing a search warrant or other court order requiring a blood or urine test, or a combination thereof, of a defendant charged with a violation of KRS 189A.010, or other statutory violation arising from the incident, when a person is killed or suffers physical injury, as defined in KRS 500.080, as a result of the incident in which the defendant has been charged.

[~~(3) During the period immediately preceding the administration of any test, the person shall be afforded an opportunity of at least ten (10) minutes but not more than fifteen (15) minutes to attempt to contact and communicate with an attorney and shall be informed of this right. Inability to communicate with an attorney during this period shall not be deemed to relieve the person of his obligation to submit to the tests and the penalties specified by KRS 189A.010 and 189A.107 shall remain applicable to the person upon refusal. Nothing in this section shall be deemed to create a right to have an attorney present during the administration of the tests, but the person's attorney may be present if the attorney can physically appear at the location where the test is to be administered within the time period established in this section.~~

~~(4) Immediately following the administration of the final test requested by the officer, the person shall again be informed of his right to have a test or tests of his blood performed by a person of his choosing described in KRS 189A.103 within a reasonable time of his arrest at the expense of the person arrested. He shall then be asked "Do you want such a test?" The officer shall make reasonable efforts to provide transportation to the tests.~~]

Section 4. KRS 189A.104 is amended to read as follows:

(1) The only alcohol or substance testing that is subject to refusal or enhancement of penalties provided for in this chapter is:

  (a) Breath analysis testing by a machine installed, tested, and maintained by the Commonwealth for that specific purpose[~~ at a police station or detention facility~~];

  (b) Blood or urine testing at the request of the officer at a police station, detention facility, or medical facility; or

  (c) Combination of tests required in paragraphs (a) or (b) of this subsection.

(2) The results of any breath analysis by an instrument other than one specified in subsection (1) of this section shall be inadmissible in court.

Section 5. KRS 189A.107 is amended to read as follows:

(1) A person who refuses to submit to an alcohol concentration or substance test requested by an officer having reasonable grounds to believe that the person violated KRS 189A.010(1) shall have his driver's license suspended by the court during the pendency of the action under KRS 189A.200 ***or for six (6) months, whichever period is longer***.

(2) In the event a defendant is not convicted of a violation of KRS 189A.010(1) in a case in which it is alleged that he refused to take an alcohol concentration or substance test, upon motion of the attorney for the Commonwealth, the court shall conduct a hearing, without a jury, to determine by clear and convincing evidence if the person actually refused the testing. However, the hearing shall not be required if the court has made a previous determination of the issue at a hearing held under KRS 189A.200 and 189A.220. If the court finds that the person did refuse to submit to the testing, the court shall suspend the person's driver's license for a period of time ***either*** within the time range specified that the license would have been suspended upon conviction as set forth in KRS 189A.070(1) ***or for six (6) months, whichever period is longer***.

For the purposes of this section, the salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall remain as determined by the Department for Local Government pursuant to this section, regardless of changes in the population estimates or the actual census count that may occur during the term for which the official has been elected or appointed. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district.~~[No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5).]~~

(b) A qualifying slate ***that has received a transfer from the fund that***~~[which]~~ discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, ***make a binding election within three (3) days after the contributions are received to either:***

   2. ***Retain the contributions in excess of the maximum threshold amount up to the expenditure limit provided in KRS 121A.030(1); or***

(d) If the qualifying slate elects to retain the contributions under subparagraph 2. of paragraph (b) of this subsection, any matching funds to which it is entitled from the campaign election fund shall be reduced, dollar for dollar, by the amount of retained contributions that exceeds the maximum threshold amount.

(e) If the qualifying slate elects to place the contributions in a reserve account under paragraph (b)3. of this subsection, then those funds shall remain in the reserve account until the registry determines under KRS 121A.080 that a slate that has not accepted the provisions of this chapter has exceeded the contribution or expenditure limit under KRS 121A.030(1), at which time the qualifying slate may transfer the reserve account funds to the campaign account, and the funds shall then become qualifying contributions for purposes of receiving matching transfers from the election campaign fund. (f) If a qualifying slate wins the primary nomination and has a reserve account balance at the end of the primary election, the slate may transfer funds from the reserve account to the campaign account, up to the maximum qualifying threshold contribution limit, and those funds may then become qualifying contributions for purposes of receiving transfers from the election campaign fund for the regular election. Any remaining balance shall be retained in the reserve account under paragraph (e) of this subsection.

(g) After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The registry shall make the adjustments in the threshold qualifying amounts in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(2) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(3) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and

(d) Any other information reasonably necessary that is required by the registry.

(4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.

(5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(6) A separate determination and certification shall be made for a primary and a regular election.

(7) The certification issued by the registry shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(8) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(9) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(10) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(11) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the

registry shall be advanced on the docket to permit a timely decision.

(12) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(13) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.

(14) Nothing in this section shall prohibit a qualifying slate from raising more than the maximum threshold amount of contributions for any one (1) election if no opposing slate has raised the minimum threshold qualifying amount of contributions for that election. If no opposing slate receives the minimum threshold amount of contributions, then the qualifying slate is released from the maximum contribution limit.

Section 4. KRS 121A.070 is amended to read as follows:

(1) All transfers received from the fund by a qualifying slate of candidates and all contributions or personal resources of any slate of candidates to be used for campaign expenditures shall be deposited in the candidate campaign account.

(2) For each deposit of a contribution of any amount from a permanent committee to a slate of candidates for Governor and Lieutenant Governor made in the slate's campaign account, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

(a) The amount of each permanent committee's contribution deposited;

(b) The date each permanent committee's contribution was received; and

(c) The name and business address of the permanent committee and a description of the major business, social, or political interest represented by the permanent committee.

(3) For each deposit of funds received, other than contributions by permanent committees, in excess of one hundred dollars ($100) made in the account of any slate of candidates for Governor and Lieutenant Governor, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

(a) The amount of each contribution or amount of personal resources deposited;

(b) The date each contribution was received or each amount of personal resources was made available; and

(c) The name, address, and, in the case of individuals, occupation and employer of each contributor and the spouse of the contributor, and, if a contribution is made from the personal resources of the slate of candidates, the banks and account numbers from which the funds were transferred. The occupation listed for each contributor shall be specific. A general classification, such as "businessman," shall be insufficient. If the contributor or the spouse of the contributor is self-employed, the name under which he is doing business shall be listed.

(4) The slate of candidates shall designate in writing, to be filed with the registry, not more than three (3) individuals who shall be authorized, in addition to the slate, to withdraw funds from the candidate campaign account.

(5) No individual authorized to make withdrawals from the candidate campaign account shall pay any amount out of the account for goods or services furnished, other than staff salaries, except upon the presentation of an invoice submitted by the person to whom the payment is to be made. The invoice shall describe disbursements to persons, the name, address, occupation, and employer of each person, and the date and the amount disbursed. These invoices shall be preserved by the slate of candidates and made available for reasonable inspection and auditing by employees of the registry.

(6) Any interest earned on any deposits made to the candidate campaign account of a qualifying slate, regardless of the source of the funds, shall not count toward a qualifying slate's maximum contribution threshold limitations or its aggregate expenditure limitations.

3. Any expenditure or disbursement authorized, incurred, committed to, reserved for, or made by an authorized agent of any slate of candidates for the purpose of advertising, including the reservation of time or space for the purchase of advertising, from any newspaper, magazine, owner or lessor of billboards, radio or television station or network, direct mail vendor, or other business organization offering communications or advertising services for hire.

(7) The registry shall promulgate administrative regulations and official forms and perform other duties necessary to implement the provisions of this chapter.

Section 3. KRS 121A.060 is amended to read as follows:

(1) ***(a)*** The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a primary or regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a primary or regular election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district.[~~ No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5).~~]

(b) A qualifying slate ***that has received a transfer from the fund that***[~~which~~] discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, ***make a binding election within three (3) days after the contributions are received to either:***

1. Dispose of qualifying contributions received after the maximum threshold qualifying amount was reached by returning the excess contributions to the contributors***;***

2. Retain the contributions in excess of the maximum threshold amount up to the expenditure limit provided in KRS 121A.030(1); or

3. Place the contributions in a reserve account.

(c) If the qualifying slate elects to return[~~The~~] excess contributions[~~ returned~~] to the contributors ***under subparagraph 1. of paragraph (b) of this subsection, the contributions*** shall not be considered as qualifying contributions and shall not be matched by transfers from the fund.

(d) If the qualifying slate elects to retain the contributions under subparagraph 2. of paragraph (b) of this subsection, any matching funds to which it is entitled from the campaign election fund shall be reduced, dollar for dollar, by the amount of retained contributions that exceeds the maximum threshold amount.

(e) If the qualifying slate elects to place the contributions in a reserve account under paragraph (b)3. of this subsection, then those funds shall remain in the reserve account until the registry determines under KRS 121A.080 that a slate that has not accepted the provisions of this chapter has exceeded the contribution or expenditure limit under KRS 121A.030(1), at which time the qualifying slate may transfer the reserve account funds to the campaign account, and the funds shall then become qualifying contributions for purposes of receiving matching transfers from the election campaign fund. If the registry makes no determination under

KRS 121A.080 that a slate that has not accepted the provisions of this chapter has exceeded the contribution or expenditure limit under KRS 121A.030(1), the qualifying slate shall forward to the registry for deposit in the election campaign fund established under Section 2 of this Act all excess contributions in the reserve account, except as provided in paragraph (f) of this subsection.

(f) ***If a qualifying slate wins the primary nomination and has a reserve account balance at the end of the primary election, the slate may transfer funds from the reserve account to the campaign account, up to the maximum qualifying threshold contribution limit, and those funds may then become qualifying contributions for purposes of receiving transfers from the election campaign fund for the regular election. Any remaining balance shall be retained in the reserve account under paragraph (e) of this subsection.***

(g) After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The registry shall make the adjustments in the threshold qualifying amounts in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(2) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(3) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and

(d) Any other information reasonably necessary that is required by the registry.

(4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.

(5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(6) A separate determination and certification shall be made for a primary and a regular election.

(7) The certification issued by the registry shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(8) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(9) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(10) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(11) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(12) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(13) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has

received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.

(14) Nothing in this section shall prohibit a qualifying slate from raising more than the maximum threshold amount of contributions for any one (1) election if no opposing slate has raised the minimum threshold qualifying amount of contributions for that election. If no opposing slate receives the minimum threshold qualifying amount of contributions, then the qualifying slate is released from the maximum threshold qualifying amount of contributions.

Section 4. KRS 121A.070 is amended to read as follows:

(1) All transfers received from the fund by a qualifying slate of candidates and all contributions or personal resources of any slate of candidates to be used for campaign expenditures shall be deposited in the candidate campaign account.

(2) For each deposit of a contribution of any amount from a permanent committee to a slate of candidates for Governor and Lieutenant Governor made in the slate's campaign account, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

- (a) The amount of each permanent committee's contribution deposited;
- (b) The date each permanent committee's contribution was received; and
- (c) The name and business address of the permanent committee and a description of the major business, social, or political interest represented by the permanent committee.

(3) For each deposit of funds received, other than contributions by permanent committees, in excess of one hundred dollars ($100) made in the account of any slate of candidates for Governor and Lieutenant Governor, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

- (a) The amount of each contribution or amount of personal resources deposited;
- (b) The date each contribution was received or each amount of personal resources was made available; and
- (c) The name, address, and, in the case of individuals, occupation and employer of each contributor and the spouse of the contributor, and, if a contribution is made from the personal resources of the slate of candidates, the banks and account numbers from which the funds were transferred. The occupation listed for each contributor shall be specific. A general classification, such as "businessman," shall be insufficient. If the contributor or the spouse of the contributor is self-employed, the name under which he is doing business shall be listed.

(4) The slate of candidates shall designate in writing, to be filed with the registry, not more than three (3) individuals who shall be authorized, in addition to the slate, to withdraw funds from the candidate campaign account.

(5) No individual authorized to make withdrawals from the candidate campaign account shall pay any amount out of the account for goods or services furnished, other than staff salaries, except upon the presentation of an invoice submitted by the person to whom the payment is to be made. The invoice shall describe disbursements to persons, the name, address, occupation, and employer of each person, and the date and the amount disbursed. These invoices shall be preserved by the slate of candidates and made available for reasonable inspection and auditing by employees of the registry.

(6) Any interest earned on any deposits made to the candidate campaign account of a qualifying slate, regardless of the source of the funds, shall not count toward a qualifying slate's maximum contribution threshold limitations or its aggregate expenditure limitations.

Upon review of the application and requested materials, and completion of inquiries, the economic development authority may grant approval for:

(a) The development area for infrastructure development;

(b) Each project for which an application has been submitted to be located in the development area for infrastructure development, provided that each project approved for location in the development area for infrastructure development meets the criteria necessary in order to qualify for inducements under subchapters 22, 24, and 28 of KRS Chapter 154;

(e) The master agreement constituting a grant contract and any addendum for each project approved for location in the development area for infrastructure development.

(4) Prior to any approval by the economic development authority, the economic development authority shall have received an ordinance adopted by the city or county creating the development area and establishing the percentage of increment that the city and county are distributing each year to the agency for use in the infrastructure development of the development area for which economic development authority approval is sought. The economic development authority shall not approve a percentage of the Commonwealth's portion of the increment to be distributed to the agency each calendar year with respect to a development area for infrastructure development greater than the percentage approved by the city or county creating the development area.

(5) The maximum amount of increment available for development areas for infrastructure development is one hundred percent (100%).

(6) The terms and conditions of each grant contract, including the master agreement constituting a grant contract and any addenda, are subject to negotiations between the economic development authority and the other parties to the grant contract. The grant contract shall include, but not be limited to, the following provisions: the activation date, the taxes to be included in the calculation of the increment, the percentage increment to be contributed by each taxing district, the maximum amount of infrastructure development costs, a description of the development area, the termination date, subject to extension through each addendum, and the requirement of the agency to annually certify to the economic development authority as to the use of the increment for payment of infrastructure development costs.

1. Upon notice from the agency, each taxing district obligated under the grant contract, other than the Commonwealth, shall release to the agency the respective portion of the total increment due under the grant contract. The Cabinet for Economic Development, upon its determination, shall assign the application to the economic development authority or the tourism development authority, as appropriate, for further consideration and approval.

Approval shall not be granted if it is determined that there is no projected net positive economic impact to the Commonwealth.

(c) The primary project entity shall pay all costs associated with the independent consultant's report.

(4) With respect to each city, county, or agency that applies for approval of a project and development area, the economic development authority or the tourism development authority, as appropriate, shall request materials and make all inquiries concerning the application the economic development authority or the tourism development authority, as appropriate, deems necessary. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the ***agribusiness*** manufacturing***,*** or electric generation facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.
